MRS. MAUD SUMMERS, Cured of Piles by Pyramid Pile Cure. After All Remedies and Doctors Had Failed.

full-sized package from any druggist for 50 cents. Frequently one package cures. It is applied in the privacy of the home. Call for Pyramid Pile Cure and nothing else. All druggists have it, for it has cured so many cases of piles and relieved so much suffering and is so popular a remedy that no druggist can afford to be without it.

The healing process begins immediately with the first application and continues rapidly till the sufferer is perfectly cured. The pain ceases at once, and you go about your duties without further inconvenience.

This is much more sensible than being cut and tortured with a knife. It is much more satisfactory than a humiliating examination by a physician. It is much cheaper than paying a big doctor's bill for an operation. It is a certain, safe and painless cure for piles.

GOSSIP.

"Gentlemen of the jury," said an Arapahoe lawyer, "what kind of swearing has been done in this case? Here we have a physician, a man who from his high calling should scorn to tell an untruth. But what did he testify, gentlemen? I put the question before him plainly, 'Where was he stabbed?' Unblushingly, his features as cool and placid as marble, he replied that he was stabbed an inch and a half to the left of the medial line, and an inch above the umbilicus. And yet, gentlemen, we have proved by three unimpeachable witnesses that he was stabbed just below the railroad station.

A good story is told of an old couple, who frequently got into argument upon religious subjects. The old gentleman contended that the Bible was almost wholly about men, and ignored women. His wife took strong ground against this view, but finally, for the sake of peace, allowed her husband to have the last word.

"You know I am right, Mary," he concluded, "and you just argue the matter to be contrary."

After a while Mary said: "John, I must confess you are right. The Scripture writers knew a great deal about men, much more than they did about women, and one passage that has just occurred to me convinces me that the Bible was really written more for men than women."

"Of course it was," replied John, almost rapturously, "and you knew it all the time; but, Mary, what was the verse that has brought you to agree with me?"

"It was written by the wisest of all the old Scripture writers, John."

"Yes, yes, but was it, Mary?"

"It is this, John, and remember it was written by the—"

"Oh, but the verse!"

"Well, John, it is this: 'All men are liars.'"

A new Hampshire judge, says Lippincott's Magazine, has in his possession the following letter, sent to him by an old farmer who had been notified that he had been drawn as a juror for a certain term of court:

"Dear Judge,—I got your letter telling me to come to Manchester an' do dooty on the jury an' I rite you these few lines to let you know that you'll have to git someone else fer it ain't so I kin leave home now. I got to do some butcherin' an' sort over a lot of apples just about the time the jury will be settin' in your Court. Si Jackman of this town says that he would as soon as not go, fer he ain't nothin' else to do jess now, so you better send fer him. I hate the worst way not to oblige you, but it ain't so I kin at present. Ennyway I ain't much on law, never havin' been a jooryman 'ceptin' when old Bud Stiles got killed by the cars here some years ago when I was one that set on the baddy with the koroner. So you better send fer Si Jackman, fer he has got some kin in Manchester he wants to visit ennyhow, an' he'd be willin' to go fer his carfare there an' back. Ancer back if you want Si."

IMPORTANT SALE OF AYRSHIRES.

Dairymen throughout the Dominion will be interested in the announcement, advertised on another page, of the coming auction sale, on March 10th, of the entire herd of Ayrshire cattle belonging to Messrs. R. Reid & Co., of Hintonburg, a suburb of the City of Ottawa, reached by the street railway system. This is justly considered one of the best herds of Ayrshires in Eastern Ontario, and comprises 60 head, with a prospect of an addition of half a score of calves before the date of sale. The sale has been rendered necessary by the expiring of the lease of pasture land, and the rapid growth of the city preventing the re-leasing of the land on which account it has been decided to sell the entire herd, and confine operations to other lines of stock-keeping. The cows in this herd having been supplying a first-class milk trade in the city of Ottawa, and have been bred and selected for profitable work at the pail. The catalogue will be sent on application, and further notes may be looked for in these columns in later issues of the paper.

Dr. J. L. Scott's Condensed Dietetic Stock Food is doing wonders wherever it has been tested, and all who have fed it are unanimous in its praise. The question of feeding to the up-to-date farmer is one of vital importance, and whether you desire to produce flesh in horses or cattle, or the hard, firm bacon so much in demand, nothing is equal to

Scott's Stock Food

which does its work quietly but quickly, without purging or other irritating action. Sharpens the appetite, increases the secretions of the stomach, bowels, liver and kidneys, aids in assimilation of food, and by its tonic effect increases strength and vigor. This medicated food contains the purest and best tonic ingredients known to veterinary science. We aim to give value—one pound of our compound equals ten pounds of ordinary stock food. If your dealers have not got it have them send for it. Read this:

Beaver Dam, Wisconsin, June 3rd, 1903.

Dr. J. L. Scott, London, Ont.:

Dear Sir,—Allow me to volunteer an endorsement of your Condensed Dietetic Stock Compound. After 13 years' trial of it, I think my success in raising horses and cattle for years can be attributed more to your Stock Compound than any one else. I have hardly lost an animal, except by contributory negligence, since you induced me to use the compound. One of my brood sows was left in the yard to die. We thought that your remedy would not hurt her. After using it she got well. We fattened her and watched the results, won't use any other. I have now one hundred head of horses and cattle on my farms. If you will give me your formula for making the Condensed Dietetic Stock Compound for my own use, not to sell or give away, you can go to my farms and pick out a horse to suit yourself without any cost except the formula. Respectfully yours, T. L. NEWTON, Esq., President of State Board of Agriculture.
