

GOSSIP.

Mr. Henry Arkell, Arkell, recently shipped a carload of registered Oxford Down yearlings to McCaig, Moore and Carroll, of Walsh, Assiniboia. He also sent out a show lot to A. Wood, Souris, Manitoba.

The fine herd of Berkshires kept at the Agricultural College farm, Cirencester, England, by Mr. Russell Swanwick, was dispersed by auction last month. Some good prices were realized, 24 boars making an average of \$37.50, and 36 sows an average of over \$50 each, the sow, Sallie 966th, selling for \$189. Another sow, with a litter of four pigs, brought \$136.50. These highest prices were paid by Mr. E. J. Morant, Boldre, Lymington, Hampshire, who was the largest purchaser at the sale.

Among the Canadian stock-breeders now in Great Britain attending the leading shows, and presumably making selections of stock for importation, are Messrs. W. D. Flatt, Hamilton; H. Cargill, M. P., Cargill; Arthur Johnston, Greenwood; Robert Miller, Stouffville; and Stephen Nicholson, Sylvan. This list probably does not include all the breeders who have gone over the water for the same purpose, but these are those that have come within our ken.

It may seem a little early to buy rams for next fall's service, but one great advantage of buying early is the choice of selection thus afforded. Before fall many carloads will doubtless be shipped out of the country, and among them many good ones that should head flocks at home. Mr. Abram Rudell, Hespeler, Ont., offers a fine lot of Shropshire rams of various ages, also ewe lambs. See his advertisement in this issue.

WANDERER'S LAST FOR CANT. ROBSON'S HERD.

Mr. W. D. Flatt, Hamilton, has announced the sale, to Capt. T. E. Robson, M. P., Ilderton, Ont., of the imported bull, Wanderer's Last, to head his Spring Grove herd of Shorthorns. This bull, now about 15 months old, was bred by Mr. W. S. Marr, Uppermill, Aberdeenshire; is the last of the get of the grand old Cruickshank bull, Wanderer; is one of the best young bulls ever brought to Canada, as he was selected for service in Mr. Flatt's Trout Creek herd, and as Mr. Flatt is now in Great Britain making selections for another importation, it is supposed he has found another to suit him, or he would not have parted with Wanderer's Last, who is one of the most approved type, low-set, thick-fleshed, smooth, and having all the indications of a strong and vigorous constitution.
