Prudential Life, Winnipeg

Mr. G. H. Miner, formerly manager of the Prudential Life, of Winnipeg, reviews his connection with the company's affairs. States that he has sued for \$25,000 damages, and that he will exact "last pound of flesh." Page 18

Ancient Workmen's Dilemma

Something about the drastic proposal of the Ancient Order of United Workmen which is to receive the consideration of the Ontario legislature. Present beneficiary certificate of every member to be cancelled, it is suggested. Page 28

Krupps and Nickel

Only one in every 1,000 shares of International Nickel Company is owned by enemy countries. Our nickel deposits were once offered to the British admiralty as an important matter of Imperial defence, but were refused. Page 40

Municipal Bond Market

Prominent banker gives Saskatoon some timely advice as to administration of its sinking fund and surplus, Page 27. How British Columbia municipalities act, Page 42. Cities financial requirements this year, Page 42

Loan Companies' Funds

Some loan company managers express apprehension of the coming competition for funds, with the Dominion government who will issue 5-year debenture stock in small denominations. Position of maturing mortgages. Page 36

Women and Insurance

Based on the general experience that the average woman is not versed in business and investment principles, life insurance payments in the monthly income rather than the lump sum form are gaining in popularity. Page 22

New Business Taxes

Text of the resolutions as they stand after the amendments introduced last week, Page 14. Sir Thomas White's explanation of the changes. Retroactive feature slightly modified. Position of holding companies. Page 5
