BOVRIL

Is Concentrated Nourishment

For years Beef tea was in every sickroom. It was thought to be nourishing but doctors have shown that it has no food value.

BOVRIL has replaced it because :

BOVRIL nourishes where beef tea only stimulates—

BOVRIL enriches the blood where beef tea only pleases the palate—

BOVRIL is always ready, but beef tea requires great care and hours of preparation.

BOVRIL costs a mere trifle compared with its value—beef tea is expensive.

Economise by buying the ½ lb. or 1 lb. bottle.
