Windsor Mail 16th inst.

Some families School presided, with a deal of grace, and the recitations and singing of the children—who were arranged in order on the stage—was grand and duly apprec whether the Government will stand or not. No doubt the opposition will move a vote of want of confidence. They are also sanguine of success. On the other hand the Government stand

DOMINION PARLIAMENT. The fourth Session of the First Parliament of 15th inst.-His Excellency the Governor-General read the following speech.

Оттама, Feb'y. 15, 1871. Honorable Gentlemen of the Senate: Gentlemen of the House of Commons: I have much satisfaction in meeting you a this usual and most convenient season of the year, and under the present auspicious circum-

First.—The hope I was sanguine enough to further attempt would be made to disturb ou trontier, was doomed to early disappointment The Session had scarcely closed when lawless hands, assembled themselves within the territory of the United States in great numbers, renewed their menace of invasion. They ventured accross the border at two points, but were met and repelled. So complete and humiliat-ing was the repulse that the invaders lost heart and hope, threw away quantities of arms and fell back to encumber the villages in their rear with their starving and demoralized masses praiseworthy alacrity and the spirit which pervades the country, swelled their number with volunteers from all quarters. The gallantry displayed and the success achieved have been duly recognized by the highest authorities, and honored in gratifying terms of appreciation by Her Most gracious Majesty. In maintaining militia on active duty the government incurred states are the caned upon the Secretary, D. Henry Starr, Esq., to read the Report of the Committee. The Report was a very excellent one, and being well read, was listened to by the authorities and being well read, was listened to by the authority of the damage done to the engine and tender, is estimated at \$600 or \$800.

on. The accounts of the entire expenditure for

demnify the Government.
Second.—The anticipations of success in regard to the Act passed for the Government of Manitoba and the North-West Territory, and alised. The troops surmonnted the difficulties of the long, toilsome route with endurance and intelligence. They encountered no armed force.
Their arrival at Red River was cordially welcomed by the inhabitants. The people of the New Province have, under the constitution accorded to them last year, assumed all duties of self-government, and every appearance war-

rants the hope that they are entering steadily on a career of peace and prosperity.

Third.—The Legislature of British Colum-Third.—The Legislature of British Columbia has passed an Address to Her Majesty, praying for admission into the Union on the terms and conditions therein stated. Papers on this very important subject will be laid be fore you; your earnest attention is called to Address was given before the close of the Meet-magnanimity and setting an example which is them. I hope you will think that the terms are so fair as to justify you in passing a similar Address, so that the boundaries of Canada may at dress, so that the boundaries of Canada may at sion.

Address was given before the close of the later worthy of our admiration, have shared their scanty rations with their starving foes. Let it not be said that we of our abundance have done

eries as defined by the convention of 1818.

Resolved that His Excellency the Governor accounts the burglar had not been apprehend-

eess. On the other hand the Government stand gotiate with Commissioners of the United states of America in reference to certain differspeech produced a good impression, and will tell considerably in their favor. Their out trality on the part of Great Britain during the spokenness in the school question will have a recent civil war in America, and also in respect beneficial effect. Commission these Provinces and the other Maritime Coloa ies are entirely unrepresented.

Resolved therefore—1st.—That this House The fourth Session of the First Parliament of the Dominion of Canada was opened on the out serious apprehensions in respect to the invaluable coast fisheries of the Maritime Colonies, and consider it their duty to the fishermen and other inhabitants of these Colonies to enter a most solemn protest against the said fisheries

being transferred to any foreign power without the consent of the people of the said Colonies, or being in any other manner sacrificed to Imperial or Canadian interests. 2nd. That the Lieutenant Governor be rerespectfully requested to transmit copies of this Resolution to Her Majesty's Principal Secreta-ry of State for the Colonies, and to His Excellency the Governor General of Canada. At the close of the discussion on this subject on the 17th inst. the Resolutions moved by the

Att'y General were passed in the House of Assembly by a vote of 30 to 3 HALIFAX WESLEYAN CITY MISSION SOCI-ETY .- The Anniversary Meeting of this Society was held on Thursday evening, in the School Room of the Brunswick Street Church. The Chair was taken by the Rev. Jabez A. Ro-Our militia rallied at the first call to arms with gers. After the usual opening religious exereises, the Chairman gave a brief Address, and then called upon the Secretary, D. Henry station was burned down, and locomotive Heran outlay to a considerable amount beyond then addressed by Mr. Theakston, the Missian outlay to a considerable amount beyond what was provided by the votes of last session.

then addressed by Mr. Theakston, the Missionary employed by the Society. His address the fill—who, it would appear was well acquainted with the premises—broke into the house of was interesting throughout, and in some of its the importance of the work in which the Society is engaged. He described somewhat minutely several cases in which he had been allowed to see the fruit of these Mission efforts.

The anticipations of success in residue to the Act passed for the Government of lowed to see the fruit of these Mission efforts. Manitoba and the North-West Territory, and for the Military expenditure which it was necessary to disburse, have been fortunately results of the close of his address, showed very clearly boit, and all the stolen articles recovered. We the want which is very pressing for a Mission have not heard his name, but understand tha Chapel, as a Home or Central Station from he had a short time previously been employed about the premises of Mr. McDonald. He has which and in which to carry on the work of the Society. We think that if the different Weslevan Congregations of the City could be made acquainted with the facts which were presented by the Report and Mr. Theakston, means would speedily be furnished to enable the Soamong the classes so much needing it. A short and want. The German army, with a noble

and 45. 9 00 \$1,000,000 Security for \$100, 000 Debt, or \$10 security for

S1 Debt.

S1 Debt.

THESE BONDS were prepared under the care ful supervisions of the company's colicitor the present Judge Stevens who used the utmost caution to have them in accordance with law.

They are denominations of \$1000 and below the step of \$10 six per cent interest. The coupons are payable at St. tephen or St. John, on the first of January

> The Road cost \$400,0' 0. its traffic is steadily in creasing, and its nots earnings fifty per cent. more than enough to pay the interest of this issue which is for \$100,000. The completion of Western Extension and the Houlton Branch will materially add to he receipts of the Road.

> The Town incorporated for the express purpose of guaranteeing the payment of these Bonds, which are virtually a First Mortgage on both Road and Town. A report from the Assessors shows that the value of the real estate of the incorporated district in 1 69 was about \$600,000. In six years the value of real estate is said to have doubled in St. Stephen. Having, before putting these Bonds upon the market, under the direction of one of our most reliable legal advisers, made the fullest enquiry into the issue and endorsation of these Bonds, I have much pleasure in recommending them as an investment that will I think give the utmost security and satisfaction. They are already becoming a favoritinvestment; quite a number of leading capitalists in this Province and in Nova cottal have invested in

These Bonds are still offered at 95, which will b found to yield over six and a half per cent interest per annum. The interest for even months is only is charged. Parties desiring to invest for esates can not find a security paying the same interest tthat will be more reliable. Further particulars cheerfully
