In thanking you for the promptness with which you have paid the amount of your policy, No. 3838, on the life of my late husband, I feel it is only due to you and the insuring public, that the liberal treatment you extend to claimants, as proved in my case, should be made known. A little over one year ago my husband insured his life in your Company. I advised you this afternoon of his death, which occurred early this morning, and I was pleased to find that you paid the amount of the policy in full on my call at your office, and furnishing you with satisfactory evidence of his decease.

THE FOLLOWING PROFIT results

in this Association will be of interest to intending insurers:
Policy No. 618, issued in 1873, at age 30 for \$1,000 on the All-life plan. Annual premium \$20.98.
At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION of Premium, and has had the benefit of the same.
This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$978, EQUAL to 46.81 per cent. of the annual premium.
The cash profits for the five years are \$42.63, equal to 41 per cent. of the premiums paid during that period.
The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$2.65, equal to 12.68 per cent. of the annual premium.
The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.
The next Quinquennial Division takes place as early as possible after close 1881.
President,
HON. SIR W. P. HOWLAND, C.B. K.C.M.G.

Mr. Thomas W. Race, Editor and Proprietor of the Mitchell Recorder, writes that he had a prejudice against Patent Medicines, but being induced to try Burdock Blood Bitters for Biliousness that occasioned such violent headache and distress as to often disable him from work. The medicine gave him relief, and he now speaks of it in the most favourable terms.

BY UNIVERSAL ACCORD.

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use by physicians in their practice, and by all civilized nations, prove them the best and most effective purgative. Being purely vegetable no harm can arise from their use, and being sugar coated, they are pleasant to take. In intrinsic value and curative power no other Pills can be compared with them; and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are especially adapted to the needs of the digestive apparatus, derangements of which the prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild but effectual cathartic is required.

S. L. NASH, M.D.—Dear Dr.—I take great pleasure in saying your treatment of my wife by inhalations for an affection of the bronchial tubes has proved most satisfactory. After being treated by several prominent physicians of Toronto, I almost despaired of her being relieved of the distressing cough which clung to her in spite of the best efforts put forth by skilled men to relieve her, and I pronounced by some as incurable. Now, after a lapse of almost nine months since discontinuing your treatment, she has passed the fall weather without any signs of her old complaint returning. Yours respectfully, JOSEPH POWELL.
A personal examination is preferable, after which you can be treated at home. If impossible to call, write for Questions and Circular. Consultation free. Fees moderate. Address, DR. NASH, "Toronto Pulmonarium," 123 Church-street, Toronto, Ontario.
