

# BRITAIN— CALLS TO CANADA—

THE FACTORY

THE FARM

## She must have Food—

for her Armies in the Field—for her Workers in the Factory—in the Munition plant—in the Shipyard—in the Mine.

## THERE'S DANGER IN SIGHT—BUT YOU CAN HELP

### DO YOU KNOW—

that the rapidly rising price of food stuffs means that the World's reserve supply is getting small?

### DO YOU KNOW—

that a world-wide famine can only be averted by increasing this supply?

### DO YOU KNOW—

that a "food famine" would be a worse disaster to the Empire and her Allies than reverses in the Field?

### YOU CAN—

help thwart Germany's desperate submarine thrust on the high seas.

### YOU CAN—

do this by helping to make every bit of land in Canada produce—the very last pound of food stuffs of which it is capable.

### AND REMEMBER—

that no man can say that he has fully done his part—who having land—be it garden patch, or farm, or ranch—fails to make it produce food to its utmost capacity.
