The Paint for Appearance and Protection CANADA PAINT (Canada's Favorite)

Whatever motive influences your paint buying—whether you paint for appearance or to "save the surface"—you will find CANADA PAINT to be really "the paint of merit," and the most satisfactory from every point of view.

With "Elephant Brand" White Lead as the pigment basis, the quality of Canada Paint is absolutely assured. Easy spreading under the brush, it is far more durable and will cover more space than the so-called cheap paints.

The Quantity Required To estimate the amount of CANADA PAINT required, add the number of feet in width of front and rear to number of feet in length of building (both sides), multiply by the average height and divide by 425 for two coats.

We carry a complete stock of Canada Paints and other C.P. Products, including the famous SUN VARNISHES. It will be a pleasure to assist you with color cards and detailed information concerning the particular job you have in view.
