Music and Drama

A battle of wits that is viewed with intense interest as waged by the sleuth and the crackman in Ocieer 666 has made that play the most interesting production given to the American people in many years and easily the most talked about. It succeeded in creating a veritable sensation when presented in New York and Chicago a year ago where the interest aroused kept the box office busy and the theatre crowded during its record run in the Eastern and Western metropolises. "Ocieer 666" which will be seen here for the first time at the Grand, Tuesday, March 4th, is a jolly good farce, and the secret of its wonderful appeal may be attributed to the riddle that its plot presents, the solving of which is accomplished in a perfect way of merit and heightened by the unfolding of a charming love story that threads the three acts of Augustin MacClugh's thrilling detective story.

"Virgie Sweetheart" will be the attraction at the Grand Opera House Thursday evening when the ever popular Marks Bros., managed by Mr. Joe Marks, will open a three day engagement. There will be a special matinee on Saturday afternoon at 3:30 p.m. and theatre-goers will thus be offered an opportunity of witnessing a very strong repertoire of four plays.

The selection for the opening night is the very pleasing rural comedy drama in four acts, "Virgie Sweetheart" taken from the book of Edward T. Kilder, and dramatized by Sid Smith Russell. The play is one of the old rural kind that is established in the good will of lovers of clean, bright and wholesome entertainment.

\$3.50 RECIPE FOR WEAK MEN FREE. SEND NAME AND ADDRESS TODAY—YOU CAN HAVE IT FREE AND BE STRONG AND VIGOROUS.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drams, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manhood and virility, quickly and quietly, should have a copy of the prescription free of charge in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the care of deficient manhood and vigor failure ever put together. I think I owe it to my fellow-men to send them a copy in confidence, so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting, restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quickly and easily. Just drop me a line like this: Dr. A. E. Robinson, 3782 Luck Building, Detroit, Mich., and I will send you a copy of this splendid free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

PRESIDENT WILSON'S GURAL SPEECH

It was eminently characteristic of President Wilson that his speech yesterday should have been in character.

The first Democratic President in many years, some men in circumstances would have indulged in a display of verbal pyrotechnics, but he is not that way.

Roosevelt in one of his used up some twenty five words; Wilson is content with modest fifteen hundred.

The day of long winded and long winded speeches is past. Time was when paper leader-writer who make it a two column effort subject was not considered his business; in like manner stone and many other put used to consider that a speech should be at least four to four hours in length, an longer.

In the Old Land Asquith four have changed all that a most important subject lead them to consume fifty minutes. Wilson is determined to also espouse vity system in the States shows common sense.

Mr. Wilson's speech is a high note. He declares that Democratic triumph States was "much more mere success of a party" pleads for the restoration ideals—for the alteration things which would bring a ter conditions for the mass people.

It is a message character noble ambitions, but there strong and well entrenched to war against most of it, new President will need all nerve, and a strong initiative successful combat.
