A WOMAN'S SIX-DAY RACE.

Troy, N. Y., May 21.—Four thousand and thirty-five people saw the start of the ladies' six-day race last night. Record breaking time was made over a 16-lap track. Riding was for an hour and thirty minutes. Score:—Lisette, 33 miles 7 laps; Glaw, 33 miles 7 laps; Allen, 33 miles 7 laps; Peterson, 33 miles 7 laps; Vane, 28 miles 8 laps.

TESTING THEIR SAILING QUALITIES.

Ryde, Isle of Wight, May 21.—The two Shamrock II came around the course similar to the windward and leeward course of the contests for the America's cup. Starting from No Man Fort, the course was had fifteen miles to windward and return. A moderate breeze of 8 to 12 knots was blowing, and the water was smooth. The Erin was waiting the boats at No Man Fort, and started them. The Shamrock II came around the head of Fifte's boat, and immediately after the signal was given, led her out to a fine start, having an advantage of probably half a minute. They went off beating to windward on short tacks with the challenger pointing rather better, going fast and increasing her lead a little on every tack. The wind hauled round and the weather conditions became such as to raise doubts if they could finish the half mile course in the five and a half hours allowed in cup races. The conditions seemed admirably to suit the challenger. She pointed faster than the old boat, and gradually edged out at the mark off the end of the island were as follows: Shamrock II, 12:34:10; the Shamrock I, 12:36:02. This showed nearly two minutes' gain for the challenger in an hour's sailing, and part of the time the Shamrock II sailed without a job top-sail, and looked as though she had the whole game in hand.

3:29 p.m.—The Shamrock I overhauled and passed the Shamrock II on the run home.
4:12 p.m.—The Shamrock I won by barely half a minute.

DEATH ROLL OF A DAY.

A Poughkeepsie Alderman Dead—Gen. Fitzjohn Porter Called Hence.

Poughkeepsie, N.Y., May 21.—Alderman Baker died early to-day of apoplexy. He was born in this city 61 years ago. In 1899 he was elected alderman. Immediately he began assailing "extravagance and corruption" wherever he fancied they existed. When the telephone company asked for a franchise he voted against it, and when the company put up a pole in front of his house he went out with an axe and chopped it down. For that the company sued him for \$5,000 for injury to the sympathetic nerve of the face, due to excitement caused by the pole incident. Both suits are now pending.
New York, May 21.—Gen. Fitzjohn Porter, who has been ill for several weeks at his home in Morristown, N. J., died this morning, aged 80 years.

NORTH-WEST ASSEMBLY.

Regina, N.W.T., May 21.—In the Assembly yesterday D. M. McDonald, leader of the Opposition, without any comment moved, "That in the opinion of the House no terms should be accepted for the creation of the Territories into a province entailing the annexation of any portion thereof to the province of Manitoba."
Premier Hamilton pointed out that the Territories would have no power to accept or reject the terms, and moved as an amendment that the House was strongly opposed to any extension of the western boundary of Manitoba, as it would be against the wishes of the people in the portions of the Territories affected and detrimental to the interests of the Territories as a whole.
The amendment was adopted.

FAILURE AT BERLIN.

Berlin, Ont., May 21.—The Berlin Furniture Company made an assignment to-day to Philip Gies for the benefit of his creditors. A meeting of the latter was held last Saturday, when the firm's offer to compromise at 33 1-2 cents on the dollar was declined. The company's liabilities are about \$18,000 and assets about \$51,000. The largest unsecured creditor is Mr. Gies, whose claim is between \$1,800 and \$1,900. This firm erected one of the finest furniture factories in the Province and had only been operating about seven months. The failure is attributed to insufficient capital considering the heavy outlay incurred.

THE STRIKE SETTLED.

Kingston, May 21.—The Canadian Locomotive Works strike, which was caused by the laborers asking for higher wages, has been settled. The men will be paid \$1.25 and upwards hereafter. Work will begin again tomorrow. The agreement is for a year.

A child three years of age died of drunkenness the other day in New York City. The parents said they had given the child whiskey to strengthen him. In their absence he found a bottle of whiskey and drank from it, until he fell over in a drunken stupor, from which the physician could not arouse him. That is only one case in several cases of baby drunkards recently noted. The important fact is that alcoholic stimulants quickly develop the alcoholic habit in children. This fact is just as true when the alcohol is disguised as a medicine, a "sarsaparilla" or other "compound." So many medicines contain alcohol, to the same extent that it is contained in beer or whisky, that parents should be cautious what medicines they give their children.

There is absolutely no alcohol, whisky or intoxicant in any form in Dr. Pierce's Golden Medical Discovery, neither does it contain opium or any other narcotic. It is a blood-making and body-building medicine. It does not make flabby flesh but good, firm flesh and muscle. It is pleasant to the taste.

"My four year old daughter had suffered from indigestion and bowel trouble from birth," writes Mrs. Lizzie Allen, of Baldmount, Lockswain, Pa. "The treatment given her by home doctors afforded but temporary relief. Last February she was taken with severe pain in the bowels, followed by violent vomiting. She experienced difficulty in passing urine, which when cool, deposited a milky sediment. I became alarmed from her symptoms and wrote to the World's Dispensary Medical Association of Buffalo, N. Y., receiving in reply a letter, advising the use of Dr. Pierce's Golden Medical Discovery, together with a special medicine which they sent. This line of treatment I followed for about two months, at the end of which time my child was enjoying good health, and she has had no severe case of indigestion since."

Free. Dr. Pierce's Medical Adviser, 1008 pages, in paper covers, is sent free on receipt of 31 one-cent stamps to defray expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

LOVERS' LANE.

A resident of Victoria avenue remarked this morning that that spacious boulevard was now designated a lane, and a lovers' lane at that. To such depths could even such a splendid and swell quarter of the city descend. One couple is especially to be observed. Every sunny afternoon an elegantly dressed bank clerk and his young lady go out. She sits down first and so spreads her skirts as to protect his dainty clothes from the boards of the walk, and then the two lovers sit and gaze into each others eyes, quite oblivious to passing rigs, small boys, dogs, etc. At least so a lady who lives near the place that is the daily haunt of the lovers, says.

The Japanese cabinet crisis continues. Three Russian officers have been sentenced in default to six months' imprisonment for mapping Nagasaki harbor in the vicinity of the fortifications.

BY A MAJORITY OF 177.

London, May 21.—The House of Commons to-day, by 300 to 123 votes, rejected the motion of Sir Henry Fowler, Liberal, which was supported by the Liberal leaders, disapproving the budget proposals.
Mr. Balfour, the government leader, announced that the government would regard its adoption as a vote of non-confidence. The Irish members abstained from voting.

TOO MUCH JOHNSON.

"The worst of Johnson is that when he gets more than a trifle so he always challenges you to fight. Of course it's all bluff."
