

Local News and Personal Items

The Observer asks every reader to help make this page an interesting one by contributing local news or personal items they may know about. The editor must depend on the parties interested to supply items for this page. Don't hesitate to send personal concerns yourself and your family; we want them all. Don't blame the editor if what you expect to see in one issue is not there. If you have not yourself, take the pains to see that the editor was informed of the item. Anything in the nature of advertisements appearing in the columns must be paid for at the rate of 5 cents a line. This applies to Cards of Thanks, Announcements of Marriages or Deaths, For Sale, Wanted, Lost, Found, etc. Charged items will be 10 cents a line. Better send them with the item, counting the words as a line. No item less than 20 words.
