GODERICH, June 18, 1873.

had at the Office-price 5 cents.

On our first page will be found the remainder of the report of the proceed- Mission. ings of the County Council at its recent session. The entire report was in type for last issue, but we were obliged to hold a shows to what a length "the Party" will go in order to manufacture " ou rages" to support their falling cause

Several matters of considerable in pertance came up for consideration oncerning which a few words may not be out of place. The question of the North Riding Registry office was forced to an issue, in consequence of a letter the Teachers' Association of the Provfrom the Ontario Government requiring ince of Ontario will be held in the Northat a new office be built, their Inspec- mal School Buildings, Toronto, on Tuester having reported that the present one day 12th August, and two following \$1 per barrel. is inadequate and unsafe. The Council days. We would urge upon as many a passed a resolution unanimously, in-trucing Mr. Gibson, M. P. P., to bring to be greatly benefitted by what they hold over a quantity of local and other will see and hear. All the Railway in a bill to reunite the ridings. They Companies have agreed to grant Return have on several previous occasions petitioned the Legislature without Tickets to members attending for one effect, and we trust that the government will be provided in the city at reasonwhich will do away with what has ever been considered a nuisance. If they do not, the blame will rest with them, not with the County Council. We are not with the County Council. We are surprised to observe that our town contemporary argues in favour of continuing the division. We fancy its views will meet with the approval of very few indeed of its readers, especially as the indeed of its readers, especially as the county exchequer loses a considerable

mal School, has kindly consented to conduct a Teachers' Institute in the Town Hall, Clinton, on Friday and Saturday, 27th and 28th of this month. It is proposed to have two sessions of at least three hours each, one on Friday afternoon beginning at 1:30, and the other on Saturday forenoon at 9 o'clock. The subjects to be taken up, an hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the townships. When their report came up for adoption a number of constitution of the subject to be taken up, an hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the subject of the subject to be taken up, and hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the subject of the subject to be taken up, and hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the subject to be taken up, and hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the subject to be taken up, and hour being devoted to each, are Object Lessons, Reading, Arithmetic, Cemposition, Geography and School Organians are sustained with the subject to be taken up, and the sub Goderich at such a high figure as compared with the townships. When their report came up for adoption a number of amendments were moved, but all were voted down except one reducing Clinton \$25,000. That the town assessment is high is shown by the fact teacher in the County will make it a that Mr. Patton, who never was known point to attend. The County Inspectto de such a thing before, moved to have it reduced. All honear say we to him for his desire to accord us justice. A question arose as to the mainter

of boundary line bridges. The Muni-

stitutes such, and after consideral discussion it was resolved to petition the Legislature to amend the Act pute. The 413th clause of the municipal act provides as follows,-"It shall be the duty of the County Councils to erect and maintain bridges over rivers forming or crossing boundary lines between two municipalities without additional postage. Of course within the County, and in the case of a ten cents was charged, the same as illne bridge over a river forming a boundary line between two counties, or a county and a city, such bridges shall be erected and maintained by the Councils of the counties, or county and city respectively.

Item cents was enarged, and besselved on an unpaid letter. The matter having been complained of, Mr. Gilbert whose mills at Montreal were record destroyed by fire, is about to rebe trick, represented the case to the decounties, or county and city respectively.

Inness.

Mr. Parkyn, our former townsm whose mills at Montreal were record destroyed by fire, is about to rebe them as once and on a much law scale. Mr. Parkyn has been very partment, at Otfawa, and the Post-fortunate, his mills having been to construct the case of the case to the decounties, or county and city respectively. and maintained by the Councils of the counties, or county and city respectively, de." It appears, from this that while the County Council is bound to maintain bridges on Township boundaries it and bound to be on Township

The Supreme Courts of the two great and bridges was \$34,135. This appear to be large sum, though perhaps at its in ol large relatively than has been expended for some years. Coming in this way it opens the eyes of the poople's representatives to the fact that they yeter shinker adopted the heasts of Union as submitted up the reads has not been a good one and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they have made up their minds to say and they never made up their minds to say and they have made up their minds to say and they never the problem of the made to say and they made they have made up their minds to say and they have made up their minds to say and they never the problem of their minds to say and they never the problem of the made to say and they have made up their minds to say and they never the problem of t

or a single member who had done more valuable service for the Church than the Rev. Mr. King. This eulogium was received by the members of the Assembly with loud applause. Prof. Gregg also expressed in the most direct, strong and expressed in the most direct than the most direct for sale his house and lot on the reserve bid of \$4000 not being reached it was not sold. The house and lot on North Street occupied by Rev. C. Fletcher have, we understand, been disposed of at private the expression of the expression in the most direct for sale his house and lot on North Street occupied by Rev. C. Fletcher have,

emphatic manner, amid the appliance of the Assembly, his perfect confidence in the whole of Mr. King's conduct in the whole of Mr. King's conduct in the management of the Buxton Mission and every other matter connected therewith. Rev. Mr. McPherson, as a member of the Buxton Mission Committee, added his testimony to that of Prof. Gregg in favor of Mr. King's self-ascrificing labors and faithfulness in the discharge of the Mission. He had always found the finances properly andited and extremely correct—audited by the parties supported for that purpose, and he assumed the Assembly that he had never some the slightest grounds for suspicion as to the management of the funds of the Mission. The first engine and train of cars arrived at Stray and part of the Mission. He had always found the finances properly and itself and the management of the funds of the surface of the Mission. He had always found the finances properly and the prices of living, which deterred persuance of the Mission. He had always found the finances properly and the prices of living, which deterred persuance of the Mission. He had always found the finances properly and the prices of living, which deterred persuance of the Mission of the the Assembly, his perfect confidence in has been concluded between Germany New Stokes. - Judging from the num-

2nd Innings

The Council resolved to hold its next meeting in Seasorts, whereast the people of that village are greatly elated. We do not see as the Expension put it, that it reflects at all on the morals of Goderich, and we think is a very good plan. We do not greatly elated to the sanctiment in favor of murderers has present on a visit to Irangi the Council meets occasionally in pather places than the county town, and we think is a very good plan. We do not grudge the outlying villages the honour of having the Council serves.
