THE HURON SIGNAL, FRIDAY, SEPTEMBER 10TH, 1880.

CALEDONIAN DAY

How Lucknow Celebrated th Occasion.

a Fine Competition.

13 our own Reporter.

LUCKNOW, Seut The sixth annual celebration of the games under the suspices of the Lucknow Irish, as well as Scotch, yied with one Caledonian Society was held here toanother on the occasion, to advance the day. The games, which have obtained interests of the games, and promote the a continental celebrity, are the occasion harmony of the occasion. Another pleasof the gathering of an immense concourse ing feature was the apparent interest of people from all parts of the Dominion, which the ladies took in the proceedings, and not a few of the great American and and, the zest with which they entered Scottish athletes annually present themselves among the competitors and spectators. On Wednesday the ingsthering plaids, and Glengary bonnets, forming a was, if anything, larger than that of the most successful of previous celebrations, tor and very gratifying to the heart of picture pleasing to the eye of the spectaand at one time not fewer than 8,000 oc- the managers of the games. cupied places in the Park. Early on Tuesday visitors began to pour in, and in the different games was very keen, the numbers were greatly added to by and a number of the amateurs, notably

arrivals by train and other conveyances Archie Scott, of Brussels, showed conduring the evening and night. On clusively that they could appear to ad-Wednesday morning the roads leading to vantage beside the professionals, wherever the town were literally lined with vehicles of all descriptions bearing sight- cessary essentials. A very full proseers and competitors to the games, and gramme was carried out to the letter, the special trains from the north and with the solitary exception of the sword south on the G. W. R., brought a goodly combat, which was unavoidably omitted, share of living freight.

Government engineers had been here lately making necessary surveys of the harbor, and it was not wise now to throw stumbling blocks in the way. Mr. Dancey had no right to say the Harbor Committee wasone sided. By-law was all right, but it was the con-throw stumbles in order to ten a girl to get him some-thing, and while her back was turned the fellow snatched a splendid silver watch hanging in the room and made away with it.

Dancey had no right to say the harbor Committee was one sided. Mr. Dancey—I have no doubt the Government will throw off the tolls. So far as the allusion to the Government that the definition of to-night things were

fees were removed it would act as a lever to bring business to Goderich.

Mr. Gordon-If the tolls were placed on for improving the does, the harbor would still have to be kept open I be-lieve the amount collected in fees would be more than enough to keep the docks in repair. I have been told by a gentleman that better inducements had been offered for shipments from Stratford and Mitchell via Sarnia to Manitoba than by Goderich.

Mr. Dancey What did the shipments ! consist of whiskey or pork ('Laughter.) Mr. Gordon - I don't know, for cer-

tain, but I think it was pork.

Mr. Detlor gave explanations the building of the commercial de
