gotiation to secure the elimination from the laws and the practice under them, of any foreign country of that which is unduly discriminatory. No one is seeking a tariff war or a condition in which the spirit of retaliation shall be aroused. To the Senate and the House of

Representatives: The relations of the United States with all foreign governments have continued on the normal basis 'f amity and good understanding and are very generally satisfactory. Pursuant to the provisions of the general treaty of arbitration concluded ne-tween the United States and Great Britain, April 4, 1908, a social agreement was entered into between the we countries on January 27, 1909 the submission of questions relating to the fisheries on the North Atlantic coast to a tribunal to be formed from members of the permanent court if ame with the provisions of the special agreement the printed case of each government was, on October 4, last, submitted to the other and to the the counter case of the United States

is now in course of preparation. The American rights under the fisheries article of the treaty of 1818 have been a cause of difference between the United States and Great Britain for nearly 70 years. The interests involved are of great importance to the American fishing industry, and the final settlement of the controversy will remove a source of constant irritation and complaint. This is the first case involving such great international questions which has been submitted to the permanent court of D.D., LL.D. arbitration at the hague.

Boundry Question. The treaty between the United the Canadian international boundary was concluded April 11, 1908, Red Deer. authorizing the appointment of two vides for the exchange of briefs with- W. J.
