BANKS HAVE CLOSED DOWN.

L. Griffith.

The letter is signed by W.

BANKERS COMPANY PROPOSED. A movement is on foot to form a bank company in connection with the 101st regiment, and in conection with English at the government schools are the same a meeting of all interested is to be held at the Traders Bank is evening at eight o'clock Similar companies are now in existence in several of the eastern cities, and it is to be hoped that no difficulty will be experienced in forming such a company here. The training is a splendid one, and specially beneficial to those whose work configuration to those whose work configuration the Edmonton bank men will all help to make the proposed company a success in every way.

English at the government schools are may of them come to America to get a house at 242 Hamilton avenue, a land guide, who has taken out several parties of intending his to be hoped when the first parties of intending his taken out several parties of intending his taken out several parties of intending his to be hoped when

What threatened to be one of the most serious fires in the city for some time broke out shortly before eleven livery barn of Fred Goebel, at 58 Bellamy street, near Kinistino avenue There was a heavy wind blowing at the time and the fire gained great headway in a few minutes, threaten ing the whole district which is mass of wooden buildings.

The barn was in two sections and before the firemen arrived the inflammable materials, including hay and straw, were in a mass of flames. Four streams of water were put on the buildings and the fire was after a the interior of the buildings.

In addition to the hay there estroyed three horses and a cab. The cause of the fire was children playing with matches in the barn. Other Fires.

other call came in for a brush fire on Churchill between Sixth and Seventh. To this No. 2responded. Earlier fires in the morning were brusht on Churchill between Eighth and Ninth and on Saskatchewan between Ninth and Tenth, where some hav in a harn was ignited. Despite the heavy wind these were all extinguished before much damage
