To-day, Canadians Are Doing It With "Fruit-a-tives"

-The Famous Fruit Medicine

We are apt to consider the age we live in as the most wonderful age that the world has ever known. It is, in many respects. Yet the ancients surpassed respects. Yet the ancients surpassed us in some things. Engineers of our 40-story sky-scrapers still marvel at the massive pyramids and the sphinx. So, too, the Egyptian physicians of 3,000 years ago, used fruit juices as a medicine for treating blood trouble, liver and hidney disease and stomach weakness. kidney disease, and stomach weakness. Their method of mixing fruit juice as a medicine, is also one of the lost arts. A well known Canadian physician, however, perfected a method of utilizing fruit juices, which is one of the greatest discoveries of modern medical research.

"Fruit-a-tives" is the natural cure for Chronic Constipation, Biliousness, Indigestion, Torpid Liver, Kidney Disease, Pain in the Back, Bad Complexion, Rheumatism, Nervousness, Headache and Neuralgia.
