Investment News

St. John's, Aug. 21st, 1913.

Our New PARTIAL PAYMENT PLANT Is Ready!

In order that we might extend the facilities of our investment service to a wider clientele we have prepared a Partial Payment Plan of purchasing securities.

This new plan enables the man or woman of moderate salary to become an investor on a most convenient basis in any of the high class securities listed in our monthly "Investment Offerings."

The plan is beautifully simple—but to present it properly we have prepared a little booklet which we will find a pleasure to send to anyone interested enough to ask for a copy.

At the same time we will include a copy of our August "Investment Offerings."
