BERLIN, Oct. 19. BERLIN, Oct. 19. Eye-witnesses of the Zeppelin at-tack on England on Sept. 23rd report, accerding to the Overseas News Agency, that bombs hit Grimsby Bar-racks, killing more than 400 soldiers, and that about 60 men were killed on board a cruiser, which was hit by a bomb. It is said that Regent Street, London, was for the most part laid in ruins.

London, was for the most part laid in ruins. London, Oct. 19.—The Press Bureau appends a note to the despatch from Berlin relative to the alleged gigantic damage done in England by Zeppelin raids on Sept. 23rd and October 2nd, which declares that such statements are indicrous factors and adde that are ludicrous fictions, and adds that the Secretary to the Admiralty states that there is not a word of truth in

the statement that any cruiser or war-ship was damaged. No warship or merchant ship, nor any man belonging to the navy or mercantile marine was touched by Zeppelin bombs. The whore story is a fabrication.
