The Newest 1919 Trench Coats!

The Trench Coats for men we are now showing arrived on the last English boat and are quite the finest Coats we have ever handled. They are the product of a first class English firm, famed for its Military Tailoring, are built of fine quality Gabardine in all shades of Khaki, well-lined with smart-patterned Twill Plaid. Pockets velvet lined. Three very special features in these Coats are: (1) Extra high and well-fitting storm collar; (2) extra wide revers, forming when fastened ample throat and chest protection; (3) an entire interlining of Oilskin, rendering them not only doubly waterproof but absolutely wind and cold proof as well; forming an ideal Coat for all weathers. All Coats are belted and strapped at wrists. All sizes.

PRICE FROM \$30.00 UP.

HEINZE STARTING AND LIGHTING SYSTEMS FOR FORDS.

THE ONLY RELIABLE AND BUILT-IN STARTER MADE.

I have been using one on my own car for the past twelve months, both summer and winter, and can honestly say it has never failed me once. You have splendid bright lights for driving, dimmers for passing other cars, fitted with lock so you can leave car safely and no person can monkey with lights or starter. Having thoroughly tested the above and found it absolutely satisfactory, I can now offer it to the public with a guarantee of satisfaction.

Opportunities in Long-Term Bonds

Bonds maturing in 1919 or 1920 may now be sold advantageously, and the funds reinvested in longer term securities. The benefits of present high interest yield rates may thereby be secured for a period of ten years and longer.

We shall be glad to offer suggestions.
