

**Have You Seen the
JEWETT CAR?**
THE JEWETT IS PAIGE BUILT.

The new Jewett is of Paige conception, designed and built by Paige engineers and mechanics in the Paige shops. From its Paige origin the Jewett inherits those unmistakable marks of Quality, characterizing the work of a group of men, who for ten years past, have been building the fine six-cylinder cars, bearing the Paige monogram.

Let us demonstrate to you its remarkable power and quality—5 passenger touring—\$2200; Sedan \$2850.

Tea was selected as the staple drink for the men in the trenches because tea elevates, exhilarates, and sustains without any reaction.

Tea at its finest—fresh young leaves plucked from the top of the shrub—two leaves and a bud!
