

Child of Five Killed by Motor Car

Last evening Marie, the five year old daughter of Mr. and Mrs. William Williams of Pleasant Street, was run over near her home by a Studebaker driven by Mr. Edgar Ewing, and killed shortly afterwards. The accident was witnessed by the little girl's mother and she attaches no blame to the driver who, at the time, was proceeding slowly down hill to the home about 50 yards distant. The child, in response to repeated enquiries, had been allowed to cross the street to the store of Mr. Vavara, who was passing, and had been allowed to watch for motor cars. Methodist District Meeting

The District Meetings of the Methodist Church were in session on Wednesday and Thursday. We learn that the Ordination Class this year will be unusually large, not less than six preachers being set apart for the work of the Ministry at the approaching conference which meets in Carbonear next week.

Big Holiday Bill at the Majestic

Wonderful programme arranged for Monday. Making your appointments for the whole holiday, Monday, do yourselves the credit of having included the Majestic Theatre, as there is a special bill on Monday afternoon and night, which certainly must win the favor of every lover of music and screen. The picture "Big Brother" is probably the greatest since "Mistake No. 9" was issued, and certainly compares favorably with the big pictures the Paramount Corporation released for many months. "Big Brother" is really a descriptive review of the underworld life in New York. It is easily the most pathetic soul-stirring, heart-throbbing melodrama that Rex Beach has written. If you want to see something you will not forget in a hurry, see "Big Brother." The following is the cast:—

Tom Moore Edith Roberts
Raymond Hatton Joe King
Mickey Bennett Chas. Henderson
Paul Penzer Neil Kelley
William Black Martin Faust
Milton Herman Florence Ashbrook
Yvonne Hughes Adams and Cheney, who are now the pronounced favorites in the musical line in this city, will commence their third week, and according to their own admission, they will bring a number of musical surprises that will do themselves and the Management credit. In all, a big show is promised Majestic patrons, and Monday afternoon and night, the Majestic should be a popular resort for those who wish to see a great picture and hear wonderful music.

ADAMS AND CHENEY WILL PRESENT FOLLOWING PROGRAMME.
1. Miserere Il Travatore
2. The Tired Popular Ballad
3. Minnie in G Paderewski
4. Rale Britannia British Grenadiers
and other patriotic selections.

Fitting Out for Exploration on Labrador

The motor schooner Montagnais formerly used by the late Rev. Father Whelan of North River, on Missionary work, is now in port being fitted out for a prospecting voyage on Hamilton Inlet and other sections of Labrador. The Montagnais recently underwent overhauling at Mr. Grace and is now in excellent condition for her present venture. It is understood that the vessel recently changed hands and is now owned by a well known Mineral Exploration Company, Capt. Kelly is in command and Mr. Thos. Fitzpatrick who spent three years on the vessel when she was used by Fr. Whelan goes as navigator. The plans and objects of the expedition are being kept dark.

Bible Classes

Hold Re-Union

A very enjoyable social hour was spent in the Lecture Hall of Gower Street Church, Thursday evening, May 21st, when the "Sunshine" and the Young Men's Bible Classes held a re-union.

The programme throughout was well rendered and consisted of solos by Misses Anderson, Young, Soper and Mr. Wardell, reading by Miss Olga Hatton and a Quartette by Messrs. Dowling, Cornick, Bastow and Somerville. After an interval, during which ice cream was served, a competition was opened, in which all took part and seemed to enjoy thoroughly. Tea was then served and a very pleasant evening came to a close with the singing of the National Anthem.

Obituary

MRS. ERNEST COFFIN.

It is with feelings of regret that the Telegram has to record to-day the passing of an esteemed and popular lady in the person of Mrs. Ernest Coffin, nee Elsie Tetford, whose death occurred with unexpected suddenness at her home, Circular Road, at an early hour this morning. Yesterday Mrs. Coffin was in the best of health, and when she complained last night that she felt tired, nothing was further from the minds of her relatives than that she was ill. This morning, however, they were shocked to find that death had come while she slept. Dr. Anderson, who was called, immediately pronounced death due to heart failure. Mrs. Coffin was the eldest daughter of Mr. Robert Tetford, Mr. Grace, and before her marriage, was employed for a number of years as cashier for E. J. Horwood & Co., grocer. She leaves to mourn besides her husband, three small children, Robert, James and Jean, one sister, Mrs. Donald Moore, at St. Anthony and one brother, Robert, employed at the Customs Boat House, for whom great sympathy is felt.

Originals Presenting "Rapid Fire" at the Nickel Next Week

Owing to the tremendous success achieved at the Nickel all this week by the talented Originals in their hang-up revue "Stepping Out," this remarkable aggregation will remain here for one more week only, commencing Monday matinee (Empire Day) at 2.30 they are offering an entirely new production, "Rapid Fire," their finest and most elaborate production which contains some very remarkable musical numbers such as "When Catherine Ruled," a tale of life on the Volga River during the reign of the great Russian Queen; "Billeted in a Barn," a satire on life in France as the soldiers lived it during the days between 1914 and 1918, with Bob Anderson as the "Old Timer," Leonard Young as the French Madam, and all the other members of the Originals cast in their best roles; "The God of War" is a reminder of the peace days as all men should live in harmony and good fellowship while "My Dear Old Mother's Song Book" offers a number of the old song favorites that were popular in grandmothers' day.

The arrival of that grand old laugh-maker "The Duchess Entertains the wounded Tommies" at her garden party" will be one of the hits of "Rapid Fire" with Leonard Young in the role of the Duchess; Bob Anderson as Scotty; Jerry Brayford as "Erb; Alan Murray as Mlle. Julie Tres Montarde; Gene Pearson as Lady Eleanor. Among the single numbers Gene Pearson will offer are: "Garmine," and the new song from "Romance and Juliet," sung as only this glorious artist can sing them. Mr. Pearson's new gowns are stunning and are all new. Bob Anderson's single numbers next week are "six days leave" and two other new surprises. There will be thousands of new laughs plenty of new monologues and skits and sketches, a typical performance by the Originals, played and put over as this organization is already famous for putting their stuff over.

A tremendous rush for seats is anticipated for the Monday matinee as well as all performances throughout the week. Patrons are reminded that next week will positively be the last appearance of the Originals in St. John's and they are advised to make their reservations early.
