Delivers All The Results The Name Chrysler Implies

The new Chrysler Four, Walter P. Chrysler's latest achievement, carries a name with a world of meaning to the buyer.

Thanks to the quality of the wonderful Chrysler Six, the name Chrysler stands for pre-eminent results in motoring.

Because the new Chrysler Four likewise delivers results unequalled in the four-cylinder field, it bears the same standard of quality and fine engineering as the Chrysler Six.

The new Chrysler Four represents in a very definite and practical sense the application of the same quality and fine manufacture that raised the Chrysler Six to its peak of popularity. Consequently, the new Chrysler Four—true

companion to the Chrysler Six—is already hailed as the most modern and soundest contribution to finer four-cylinder motoring. It is receiving a welcome unmatched for its enthusiasm.

See it to appreciate the beauty that is so distinctively Chrysler.

Ride in it to understand the new interpretation it sets on ease and roadability, enabling you to travel all day with no sense of fatigue.

Drive it to know fully its powerful engine—power that means better acceleration, greater ease of handling, and finer performance under all conditions of motor car driving than any four-cylinder car has given.

We are eager to give you the opportunity.
