why limp about the street, cursing and swearing with pain and rage at everything that comes in contact with your feet? Why wear continually a frown for fear some careless individual will plant his boot on your favorite corn? Get Briggs Curative, and the frowns will give place to smiles. Your cursing and groaning will cease. Briggs? Curative is unsurpassed for the cure of corns, bunions, bad nails, chilblains, frosted and tender feet. For sale by all druggists, and country merchants generally. Dr. J. Briggs & Co., proprietors, 208 Broadway, N. Y., and No. 6 King-st. West, Toronto. Sold by E. Harvey & Co., duelph.

New Silver Movement.—The Hamilton Times says a petition is being circulated in that city, and is receiving the coperation of other-cities and towns through the Province, with the design of inducing the government to receive American silver for duties on imported goods, at a fair fixed rate of discount, and export it from the Dominion as rapidly as received. It is an imperative necessity that relief should be afforded in some manner with reference to the surplus silver in the country, as the retail trade are subjected to a steady and enormous loss at present. The discount on large silver is now up to 5½ per cent., and much difficulty is experienced in effecting exchange, even at that rate.
