

Harrison Correspondence.

The Fair.—At the Fair on Friday there was an average attendance of men and cattle. Prices were better than those offered at some of the preceding markets. Sales were brisk, and money flush—got 75 cents on an old account and didn't care a rap about writing to the Belmont or doing anything else ever since. The following are a few of the sales. (Cattle sold by live weight brought 4 cents per lb.)—John McLellan, 1 yoke of small steers for \$28, and 1 yoke do, for \$42; James P. Dunn, 1 steer \$31, and 1 do \$52; David Peoples, 1 pair steers \$60; Samuel Peoples, 1 yoke do \$34; John Peoples, 1 yoke oxen \$101; Wm. Gowen, 3 head for \$100; Malachin Ferguson, 4 steers \$70; W. McLachlin, 1 cow \$25; Edward Irwin, 1 cow \$26; John White, 1 cow \$22; B. Clow, 1 cow, \$27; Robert Arbuckle, 1 yoke oxen \$92; James Baron, 1 yoke oxen \$115; Jacob Wilson, 1 cow \$40; John Craig, 4 steers \$80; Wm. Morrison, 1 cow \$18; Samuel Clarke, 1 yoke steers \$54; Edward Harding, 1 cow, \$19 and 1 steer \$26; John Walker, 1 heifer \$18; Walter Henderson, 1 cow \$20; Wm. Dalby, 1 cow \$40; 1 do \$20; Samuel Clark, 1 yoke steers \$54.

DEER HUNTING.—Mr. Smith, Veterinary Surgeon, from Fergus, who was for a few days on a hunting expedition in this neighbourhood, brought down a fine buck on Wednesday last. Deers are becoming scarce in Minto, and this is the only one brought into the village during the past season. The time for killing them has now expired, and it is to be hoped that however tempting stray chances for a good shot may be that hunting parties will strictly abide by the law and allow them to pass, and thus afford a reasonable prospect of a more abundant supply of venison in time to come.

PARTRIDGES, GROUSE OR PHEASANT.—It is pretty difficult to say which—for they are all one and the same bird here—seem very plentiful during the now bygone fall, and very few of them have been killed. This fact is, that the ground to be gone over in search of them is very favourable for their escape. They are most to be found on the edges of swamps. And although one can hear them fly—whirr—whirr—whirr—they are frequently not seen, and almost always under safe cover before the hunter can bring his gun correctly to cover them. It does not seem to be true that the sound of railway whistles on the railway cars dashing through the bush frightens these birds from the neighbourhood, for they were frequently found during the summer quietly sunning themselves in close proximity to the track, and in the early morning and evening might be seen strutting about on the track itself.

BRASS BAND.—An effort is being made for the formation of a band, to be called the Harrison Brass Band—Harrison rather lacks brass—and a few hours devoted to procuring subscriptions yesterday afternoon resulted in the promise of over \$170, and there is little doubt that the necessary sum will soon be guaranteed. There would have been no difficulty whatever in procuring the amount required had it not been for the wretched manner in which the subscribers to the last band fund lost their money—musical instruments and all; but it is intended to place the proposed new one on a more permanent basis, and should the members choose to quarrel amongst themselves the instruments will remain the property of the village. No one should be afraid to venture his mite in such a laudable scheme—just this once. There are lots of musical talent in the village, as the writer can testify, he having been serenaded (specially and gratuitously) by a very creditable band of mouth organs, some half-dozen of times already during the present winter.

CONCERT.—A concert in connection with the opening of the Temperance Hall, was given on Monday night. The weather was not very favorable, but the attendance was large—so large that standing room could scarcely be obtained. Excellent speeches were delivered by the Rev. Messrs. Scott, McLenon and others, enunciating of temperance principles. The various pieces of music by, and under the guidance of Miss Thompson, were well executed, and duly extolled by an appreciative audience. Several adjourned meetings were afterwards held in other places by numbers of those who have not hitherto given their adhesion to the cause, for the purpose of settling in their minds what they had heard, and the proceedings cannot fail to have a lasting impression on the public mind. Proceeds of a concert not known.

THE WEATHER.—We have winter now to the chimney top and higher up. On the ground the snow must be nearly two feet deep—it lies ten inches deep on the top of the fence posts; but there has as yet been no real cold weather.

THE MARKETS.—The price of wheat remains much the same as last week. Last Saturday went up to \$7.80 per hundred, but yesterday it was down to \$7.50. Barley from \$1.03 to \$1.08. Harrison, Dec 1, 1874.

BRACEFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which will save us many heavy doctor's bills.—GUTHRIE'S GAZETTE. Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co's", Homoeopathic Chemists, London." 1/6-9m

Puslinch Farmer's Club.

The regular monthly meeting of the above club, which was held at Downie's school house on Saturday last, was well attended. Most of the leading farmers of this section were present, all of whom joined the club, evincing a very lively interest in its welfare, and in the subject for discussion. The subject, however, being an important one, it was thought advisable to adjourn the debate for a week, a motion to that effect having been carried, the meeting adjourned to meet again at the same place on Saturday, 5th December, at 6 o'clock p.m., when the debate will be resumed on the same subject, viz: dairy farming. Mr. Robert Little will open the Debate.

ALLEN'S LUNG BALSAM.

Is the great modern remedy for COUGHS, COLDS, CONSUMPTION, ASTHMA, CROUP and BRONCHITIS. It is recommended by Physicians everywhere, who are acquainted with its great usefulness. Dr. A. L. Scovill, of Cincinnati, Ohio, says: "I have witnessed its effects on the young and the old, and can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and mucus to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state." Sold by all Druggists. Price \$1 per bottle. PERRY DAVIS & SON, Agents.

THE GREAT ENGLISH REMEDY.

Before Taking. After Taking. Specific Medicine

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a consequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence. The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one. The Specific Medicine is sold by all Druggists in 25 cent packages, or six packages for \$1, or will be sent by mail on receipt of the money, by our Agents, WILLIAM GRAY & CO., 251 in Guelph by E. Harvey, and by Druggists, Northport & Lynden, Toronto, Wines & Co., Hamilton, wholesale Agents.

FRASER'S STORE

In consequence of the late great fire in Montreal, Messrs. Fraser, French & Co. have sold the balance of their stock saved from the fire \$250,000 at auction, of which G. B. FRASER bought largely, as such low prices as will enable him to sell at auction, for which he is determined to look after the wants of his customers, no matter what others may think.

FRASER'S store is situated on the corner of Adelaide and George Streets, Guelph. The name of customers to FRASER'S for the cheap stocked goods is enormous, which causes other merchants to fret and grow impatient, so matter what others may think.

Being the only merchant in Guelph who attended the Great Auction Sale in Montreal, can state with confidence that he can show goods at prices much below their regular value.

Parties buying at FRASER'S will save more money than they would elsewhere.

Strangers to his store should try the experiment. FRASER keeps a general store where all can get suited without having the trouble of going all over town.
