Syrup"

Martinsville, N.J., Methodist Parsonage. "My acquaintance with your remedy, Boschee's German Syrup, was made about fourteen years ago, when I contracted a Cold which resulted in a Hoarseness and a Cough which disabled me from filling my pulpit for a number of Sabbaths. After trying a Physician, without obtaining relief—I cannot without obtaining relief—I cannot say now what remedy he prescribed —I saw the advertisement of your remedy and obtained a bottle. I received such quick and permanent help from it that whenever we have had Throat or Bronchial troubles since in our family, Boschee's Ger-man Syrup has been our favorite remedy and always with favorable results. I have never hesitated to report my experience of its use to others when I have found them troubled in like manner." Ray.
