WEEKLY REVIEW.
London, Wednesday, May 12.
Wheat, fall, red, per bu72c to 72c
Wheat, fall, white, per bu 72c to 72c
Wheat, spring, per bu 72c to 72c
Oats, per bu18c to 20c
Peas, per bu36c to 42c
Corn, per bu27½c to 36c
Buckwheat, per bu24c to 331/20
Rye, per bu24c to 30c
Beans, per bu25c to 35c
Since our last weekly report the

principal features of the market have been better prices for oats, caused by smaller receipts and good buying. Tuesday's and today's sessions no sales were made at lower than 55c, and a quantity sold at 58c to 60c. Wheat sold at \$1 20 for all kinds with the exception of one load of white that brought \$1 21.

One or two lots of barley sold at 60c Corn-Sales ranged from 55c to 65c, and sold dull toward the close. Peas were steady, at 60c to 70c per 100 lbs; demand for good samples was Beans were quiet, at 25c to 35c per

Eggs improved a little, selling at 81/2c by the basket, and 9c to 11c for single Butter was steady and unchanged.

Chickens brought a little higher prices—50c to 70c per pair. Beef, lamb and veal came in freely, and sold at about the same prices as a week ago. Hides and skins quiet and un-

Potatoes brought from 25c to 35c per bag, according to quality and kind. Other vegetables were steady. Hay—Sales ranged from \$6 50 to

01 30.			
Straw was unchanged.		100

Ottawa, May 12.-In the House of Liverpool, May 10.-There were no Canadian cattle offered in this market Commons last night, Mr. Davin, who today, but prices for choice States were firm at 11%c, and Argentines at 10%c. In London, some lots of Canadian cattle sold at 11c to 11%c, which figures show an advance of 1%c since this day work. Choice shown in well sold at 1 to 11%c. week. Choice sheep in wool sold at the people of the Northwest, but by A private cable received from Liver- the farmers of Canada generally. He pool reported the market strong, and noted an advance in price of 1/2c per lb. Choice States sold at 12c; Canathose respecting other articles. He ians at 111/2c and middling at 101/2c to concluded by moving in amendment to Messrs. John Olde & Son, live stock salesmen, of London, England, write W. H. Beamen, live stock agent of the Board of Trade, under date of April Board of Trade, under date of April of there should be inserted the following: The number of beasts on offer this member of beasts on offer this member of beasts. ed on offer this morning comprised farmers demands that agricultural im-

,204 head, which compared with last plements should be put on the free hursday's supply show an increase in Mr. Davin and about three other members of the Opposition stood up in support of the amendment, and the Speaker declared the motion to go into committee of supply carried. The amount asked for the contingent expenses of the Senate was about \$17,-000 less than last year, the reduction being caused in part by a considerable saving in reporting debates and in the expenditure for stationery. Coming to the estimates for the ex-penses of the House of Commons, Mr. Taylor (South Leeds) moved that the item of \$2,000 for Deputy Speaker be struck out, complaining that the pres-Sad Death of a Beautiful Young ent occupant of that office had been taking an active and offensive part in the provincial campaign in Quebec. Mr. Davin supported the motion, as did Mr. Foster, who said it was scandalous to see a paid officer of the

House go election ering.

Mr. McIsaac (Antigonish) recalled how when he was running in a bye-election in 1895 Sir C. H. Tupper and Berlin, Ont., May 12.—A lamentable the Deputy Speaker of the late Parliament, Mr. Bergeron, had conducted eath and a shocking scandal has a campaign throughout his county against him. He thought that the case ast few days. On Thursday last, Miss was the same as the present one. Sir C. H. Tupper stated that when Nellie Peterson, the accomplished and Mr. Bergeron went to Nova Scotia the House was not in session. son, of Wisconsin, and granddaughter Mr. A. J. Peterson, of this town, of the practice of the Deputy Speaker took a dose of carbolic acid and died

being a political partisan, said that would not support the motion, but monly known that Miss Peterson was monly known that he would like to see the rule laid down that that official should not take any part in political campaigns. Sir Charles Tupper thought that the motion was one most deserving of support, and he regretted that anyone who was not a follower of the Government would not vote for it. Mr. Laurier said that it might be just as well at this juncture to have in, and put through college, the object ionary to China or Japan. He failed an understanding as to the manner to pass his examinations at McGill last summer, and was appointed probationally to Kingsley, a little village if the House decided that that offinear Brantford, where he has preach- cial should act as the Speaker himself;

Mr. Laurier reminded the House that eled. the shocking tragedy has caused wideonce upon a time in the House a vote spread regret and indignation, the latter because letters have been found Mr. Gorman, editor of the Free Press, showing that the young man had refused to marry the girl whom he had CATHOLICS AND LIBERALS paign.

The Catholic Club and the Young agement of the farm, and he had, there- on Maitland street. Liberal Club had a friendly whist match last night at the Young Liberal Club rooms. It was exceedingly enjoyable, ending in a victory for the Liberals by plus 49.
