concerned in the matter is to be provided at the landing place of the Sound steamers, where the Customs officers can make their regular inspection of the baggage of passengers over the line.

All Plead Guilty.

Officer McNeill, of the Provincial police force, paid a visit to the reserve on Sunday, and secured in a quarter of a revolution three false white men. They appeared before Mr. Edwin Johnson, yesterday in ruling, and were by him disposed of in short order. "Guilty" being the plea in each case.

Ben Israel.

In the Icelandic church, Spring Ridge, on Sunday evening, Rev. John S. (Ben Israel) lectured upon the habits and customs of the natives in the East Indies, the Black Jews of India, and the history of the lot of the Jews of Israel. The lecturer was dressed in the full Oriental costume, and spoke in English. All present manifested deep interest in the discourse.

Capital Punishment.

In the full Court, yesterday, the Chief Justice and Justices Giesse, McNeill and Drake on the bench, the appeal from the judgment of Walker, J., in the case of Smith & Angus v. The Queen, was heard and decided. The Court affirmed the judgment of the 15th January and dismissed the appeal, with costs. "Beyla" & Gregory for Greer, Drake, Jackson for Heineken for Greer, Angus.

Mr. Barnard is Safe.

Returns from all but two polling stations in Carleton district, returned yesterday, Saturday, completely changed the complexion of Mr. Barnard's favor. Keithley and Hartley's votes have not yet been heard from, but, whichever way they go, will turn the election over. Without these falling places, the total vote is reported as follows:

Mr. Barnard, 10,364; Mr. Giesse, 10,364; Mr. Drake, 10,364; Mr. McNeill, 10,364.

Eastern Monthly Attractions.

The Victoria Theatre, under the direction of Mr. Arthur, has a very smooth rehearsal of "The Pirates of Penzance" on Saturday evening. The same care and attention to small details, which has been the rule on all occasions, was observed on this occasion; two of the three of the dramatic situations are strong and well worked out. A successful and careful performance, may reasonably be expected. A special agent has been paid for the production.

A Big Deal.

Arrangements are just about completed for the sale of the Adams property, of 120 acres of Douglas and Fraser, on a frontage of 120 feet on the Fraser, and a depth of 60 on the latter, to be sold, represented by E. E. Richards, Esq.
