Parce Cases Before the Courts on Satur day—Au Action Against the City Falls Through,

for interim alimony in the suit of Flick v. Flick was set down for hearing for Saturday before acting Master Winchester, but was adjourned to Thursday, the 18th inst., on account of the illness of Mr. J. G. Holmes, counsel for the defendant. The parties to the action are Mrs. Martha E. Flick and her husband Charles Flick. They Flick and her husband Charles Flick. They were wedded some seven years ago, when the present plaintiff was a blushing bride of 17 summers, and have since resided at 198 Chestnut-street. The defendant is a traveler for the Cobban Manufacturing Company, and the plaintiff charges him with general unkindness and cruelty. Mrs. Flick asks to be allowed \$15 a week out of the earnings of her husband, who she claims is fairly well off, having as a source of revenue besides his saiary some property in Majorstreet.

The alimony suit of Mrs. Harriet Bl ir against her husband, James B. Blair, came up before Master Winchester on Saturday and was enlarged to allow the defendant to axamine the plaintiff. The counsel for the defence have been trying for some time to locate Mrs. Blair in order to examine her on her affidavits, but up to Saturday had not succeeded in their quest. Mr. R. G. Smyth is the prosecuting solicitor, while Messrs. Best & Holmes have been retained by the defendant.

Best & Holmes have been retained by defendant. Windle v. Toronto—The master in chambers on Saturday dismissed the application of the plaintiff to have his case rejustated. This suit, which has been before outlined in The World, was brought by E. W. D. Windle of 139 York-street to recover from the city of Toronto the sum of \$2000 damages for injuries received in a fall on a Duke-street sidewalk. The plaintiff's case was dismissed for want of prosecution, and the master's decision on his motion for reinstatement practically bars Mr. Windle's claim against the corporation.

Some time ago James Robertson issued a writ against his daughtor, Mrs. David Gardiner.

Now, it strikes me that here is an opportunity for our Christian Premier to exhibit some of the "Fruits of Christianity" cataloged in his recent lecture. Let him take a hint from The World's advocacy of an increased number of Canadian Model Farms and institute in Cot our g a Provincial Industrial Farm and workshop for the double purpose of promoting agriculture and employing all the tramps and unemployed people in Toronto.
