AN IMPORTANT WARNING.

To The Editor of World:

DEAR SIR,—The following paragraph, which recently appeared in the legal reports of the Toronto newspapers, is of vital importance to the people of Canada:

Q. B. AND C. P. DIVISIONS.

Before STREET, J.

FULFORD V. HOWE.—Hoyles, Q.C., for the plaintiff, George Taylor Fulford of the town of Brockville, druggist, moved for an injunction restraining the defendants, S. L. Howe and W. A. Howe, from selling pills in imitation of those sold by the plaintiff under the name of "Dr. Williams' Pink Pills for Pale People," and thereby infringing the plaintiff's trade mark for such pills, registered under that name which, the plaintiff alleges, by reason of his extensive advertising, is well-known throughout Canada. Judgment granted for a perpetual injunction.

An old adage has it that "imitation is the sincerest flattery," but when imitation takes the form of palming off upon the public worthless, perhaps positively harmful drugs, in imitation of a popular remedy, it is quite time the public is aroused to a sense of the injustice done them. There is no other proprietary remedy in Canada to-day that approaches Dr. Williams' Pink Pills in the esteem and confidence with which it is regarded by the people. And justly so, as this remedy has to its credit cures in cases where even the most eminent men in the ranks of medical science had pronounced the patients incurable. These cases have been thoroughly investigated by such leading newspapers as The Toronto Globe, Hamilton Times, Spectator and Herald, Halifax Herald, Detroit News, Albany Journal, LaMonde, Montreal and others, and their accuracy vouched for. Thus Dr. Williams' Pink Pills have achieved a continental reputation, with the result that we find dealers here and there imposing upon the public by selling, in their stead, for the sake of extra profit, worthless imitations. These imitations are sometimes given names somewhat approaching the original, while in other cases the dealer, while not openly offering an imitation, imposes upon the customer by declaring that he can give him something "just as good." In still other cases Dr. Williams' Pink Pills are openly imitated in size, color and shape, and are sold in loose form by the dozen or hundred as the genuine Pink Pills. Against all these imitations the public should be constantly on their guard. There is absolutely no other pill, or no other remedy, that can take the place of Dr. Williams' Pink Pills, as a nerve tonic and blood builder. To purchase any imitation, any substitute, or any remedy said to be "just as good" is a worse than useless expenditure of money. The public can protect themselves against all imitations of this great remedy if they will remember that *Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred.* They are always put up in neat round boxes about two and a half inches in length, the wrapper around which is printed in red ink, and bears the trade mark, "Dr. Williams' Pink Pills for Pale People." If offered to you in any other form depend upon it they are worthless imitations and should be rejected as such. If your dealer does not keep Dr. Williams' Pink Pills do not let him persuade you to take any substitute he may say is "just as good." Dr. Williams' Pink Pills may be had by mail, post paid, on receipt of price, 50 cents a box, or six boxes for $2.50, by addressing The Dr. Williams' Medicine Co., Brockville, Ont., or Morristown, N.Y.

OUR VETERANS.

The Ranks Are Monthly Increased and All is Salubrious.

The regular monthly meeting of the Army and Navy Veterans took place last night. President Waterhouse was in the chair. An unusually large number of members were present. The following new members were enrolled: Col. Milligan, staff officer of pensioners; Col. Hood, 5th Royal Scots, Montreal; Capt. C. Denison of the G.G.B.G.; Capt. George Musson, 10th Royals; Capt. Morrow, R.G.; Capt. Medland, 4th Bedfordshire; Ensign McKenzie, Q.O.R.; C. Collert, Q.O.R. Band, who will be bandmaster of the A. and M. Band; Staff-Sergt. Taylor, R.G.; George Dewar, Q.O.R., and W. R. Simmons, late of the Royal Navy. Mr. Simmons served in the Chinese war from 1856 to 1859 on board of H.M. ships Nankin, Hornet and the Vulcan.

Stern Caledonians Relax.

The Caledonian Society of Toronto held its regular monthly meeting last night in room 2, Association Hall, Robert Swan, president of the society, in the chair. Six new members were received and several propositions presented. It was decided to make their excursion to Buffalo this summer on the occasion of the annual session of the N.A.U.C.A. in that city. After the business of the evening had been transacted the gathering was entertained by a program consisting of Scotch songs and speeches by the members.

Toronto Camera Club.

The members of the above club have arranged to meet at the club rooms at 9 o'clock on Good Friday morning, and if the weather is fine, to make an outing to High Park.

Falling Off a Log.

"As easy as falling off a log," is an old saying. When it was first uttered nobody knows. Nothing is easier, unless it is the taking of a dose of Dr. Pierce's Pleasant Pellets. These act like magic. No griping or drenching follows, as is the case with the old-fashioned pills. The relief that follows resembles the action of nature in her happiest moods; the impulse given to the dormant liver is of the most salutary kind, and is speedily manifested by the disappearance of all bilious symptoms. Sick headache, mad on the stomach, pain through the right side and shoulder blade and yellowness of the skin and eyeballs are speedily remedied by the Pellets.

$2000 for the Sick Children.

The management of the Hospital for Sick Children acknowledge very gratefully the receipt of $2000 from the children of Canada for the endowment of the Canadian children's cot.

THE GLASGOW ROOFING AND PAVING COMPANY.

ROOM 22, No. 1 Toronto-street.

We beg to draw the attention of the public to the necessity of their being particular regarding their cellar floors and drains. We have practical men for putting in new drains and repairing old ones and putting down Bryce's Patent Asphalt Pavement in Cellars, Stables, Brewery Floors, etc. Many know of the value of this pavement, but for the benefit of those who are yet unacquainted with it we would say that a piece of it can be seen as a sidewalk opposite No. 1 Toronto-street (this has been down 5 years), also opposite the Elliott House, corner Shuter and Church-streets (this has been down 5 years); also in the rear of Consumers' Gas Company's office, Toronto-street, there is a cellar floor and roof over engine house, which is also used as a floor for yard; this has been down for 4 years and it is perfectly sound and without a leak.

This pavement is put down boiling hot and thus fills up every crack and crevice, and can be used half an hour after being laid. No damp will penetrate through it, and with it you can always have a good dry cellar, which is a great preventive against Typhoid, Diphtheria and all such diseases. Dr. Allen, Supt. Medical Health Department, will endorse our statements. We have taken up old drains and put down our pavement in houses where people have died and other members of the family ill from the effect of having a bad cellar, but since the drains have been put in proper order and our pavement laid all sickness has disappeared. In the above particular instance we found (which is very often the case) the drain pipes one inch apart and holes in them three inches in diameter, and as soon as the Health Officer applied the smoke test the cellar was immediatly filled so that a person would have thought the place on fire.

Save your health and your money by having your drains made good and the decayed wood taken out of your cellar. Keep the rats and the damp out by having our pavement laid. It makes the very best stable floor and will absorb no moisture. We have laid stable and coach house floors for Dr. Strange, Dr. Larratt W. Smith, Mr. W. H. Pearson, Mgr. Cons. Gas Co., and many others. We also put on Felt and Gravel Roofs and repair old ones. This work is done by a practical man of long experience from Glasgow, Scotland. It is the one and only antiseptic remedy known that can be drunk freely as new milk and yet possesses the properties of actually being death to all force-living organisms which invade the blood and tissues of the human body and carry suffering and death ahead of time to all so afflicted. We can do no more than ask all that are interested in the sick and afflicted to enquire for themselves. Do not let others bias your own judgment nor do your thinking for you. When you find that nothing but failures follow in the train of experiments carried on with your loved ones it is your bounden duty to look elsewhere for relief.

The fact that many humbugs thrive upon "the ills that flesh is heir to," that medical science claims no good can form outside its own profession, does not make it true, especially so when we consider this "Age of Progress" and learn of how many new discoveries and inventions are made by men in lines outside of their own professions.

We claim as susceptible of proof, thousandfold the assertions made in behalf of this wonderful remedy. It has no equal in materia medica, whether used internally or externally.

Patients with chronic diseases, no matter by what name known, should look into our claims fully and impartially.

Seeing is believing, so investigate. Fullest information given free.
