William Pearce, a bullet-headed young man, was brought before Magistrate Baxter yesterday afternoon charged with trespass. The complainant was C. A. Phillips, 54 Edward-street.

when Pearce was called he steeped jauntily up to the railing and pleaded guilty to the charge.

"A dollar and—" Mr. Baxter only got that far when he was interrupted by Nicholas Murphy, Q.C., who informed His Worship that there was more in the case than appeared on the surface.

At Mr. Murphy's request the complainant entered the witness box and told his story. He said he had only returned from Winnipeg a short time ago. He went to Winnipeg because Pearce and his (Phillips') wife were too tond of one another. He came back on account of his two little children. He wanted to see if they were being cared for. Before he went away he lived in Church-street. Pearce used to visit there frequently. He had ordered him away, bul, like the cat, he always came back. On once occasion when there Pearce assaulted him. He complained to Pearce's father, who told him he should kick the son out. Phillips and his wife are now living in a room at 54 Edward-street. Thursday afternoon he returned home and found Pearce in the room with his wife. Phillips threw a bottle at Pcarce, who jumped through a window, carrying the window with him.

When Mr. Baxter heard the story he turned his head and gazed in a fatherly way over his specta es at Pearce and said, "\$5

TO CALL ASYLUMS HOSPITALS. A Movement on Foot With This End in

The medical superintendents of the various provincial asylums are urging upon the Government the desirability of calling the asylums by the name of hospitals. The modern tendency is to do away with the name asylum in connection with institutions for the care of the insane. It is pointed out that to the general public the name "Asylum" is a bugbear, and the unfortunate who has to be sent for medical treatment to an institution of this kind is disgraced in the aves of a large proportion. disgraced in the eyes of a large proportion of the people. Those who know what these asylums of Ontario are may have little sympathy with such a sentiment, but it undoubtedly exists, and for this reason alone it would be well to meet the prejudice.

David Kennedy's High Park Suggestions. Editor World: Mr. David Kennedy of Parkdale, the late owner of Lakeview Park, an old, experienced and well-known landscape forester and one of our wealthy and most respected citizens, offered the Mayor and chairman of the Parks and Gardens

and chairman of the Parks and Gardens some valuable suggestions a few weeks ago for the temporary employment of a lot of workmen in making some much-needed improvements in High Park.

His scheme consisted mainly of cutting out all the fallen and objectionable trees and dead wood and underbrushing the swampy places, and distributing the fuel so obtained amongst the poor of the city.

He estimated that at least 500 cords of firewood could be thus taken out, with great firewood could be thus taken out, with great advantage to the park, at a cost of not more than three or four hundred dollars.

Now why this very excellent suggestion of Mr. Kennedy's was not brought before the council, His Worship the Mayor, or the Chairman of Parks and Gardens, Mr. Hallam ought to be immediately called

upon to explain.

We have just witnessed the crazy spectacle of an army of self-respecting, ablebodied men, out to work, amusing thembodied men, out to work, amusing themselves in our streets for two days, throwing bits of snow at one another, for charity. Five thousand dollars gone, for which the Street Commissioner, answers the Mayor, he has "done nothing." What madness! Had that five thousand been expended in High Park in the manner suggested by Mr David Kennedy, 500 men at a low wage might have been employed for 20 days, at work less insulting to honest men, of much benefit to many in want, and of great advantage to the city.

Probably the Parks Chairman may have received the Park Commissioners' adverse opinion on Kennedy's scheme? But it may opinion on Kennedy's scheme? But it may opinion on Kennedy's at large that be the view of the public at large that probably Mr. Kennedy's opinion on park publish Mr. Kennedy's suggestions and let your readers judge?

POND'S EXTRACT COMPANY, 76 Fifth Avenue, New York.

POND'S EXTRACT has obtained an immense sale owing to its beneficent qualities, and like everything else well patronized has been often imitated. You are warned against purchasing for POND'S EXTRACT such articles as Concentrated or Double Distilled Extract of Witch Hazel, Extract of Hamamelis, etc. These are often offered as POND'S EXTRACT, or "the same thing." There is but ONE pure and uniform Extract, and that is POND'S EXTRACT, as is amply proven in its use by the best physicians of ALL schools and at principal Hospitals of this Country and Europe.

These SUBSTITUTES are NOT POND'S EXTRACT, nor will they take its place. They do not possess the same or as favorable curative properties; if the same in appearance, taste or smell, are much weaker, easily turn sour, are often highly diluted with water, and are consequently higher in price than genuine POND'S EXTRACT. To buy cheaply, get the genuine.

POND'S EXTRACT is so strong and its virtues so great that it can be diluted two or three times its volume with water and retain its medicinal properties. Our Book of Directions (sent free on application) recommends its dilution for many complaints. Always call for and get POND'S EXTRACT put up in the bottle, and with the direction, label and trade-mark of the sole proprietors-the POND'S EXTRACT COMPANY.
