ARKONA

Mr. William McKay is recovering slowly from a severe cold.

Ruthven Macdonald is coming again, Good Friday. Enough Said.

A "Seed Sowers' Song Service" in the Baptist Church Sunday evening. Everybody welcome.

For sale, at a bargain, second hand Happy Thought kitchen range, phone line 0, ring four long, or three short, one long.

The Forward Movement meetings in the Presbyterian Church last week were well attended and the addresses by the visiting ministers were able and practical. A well rendered program was given by the Methodist Mission Band on Wednesday evening to a large and appreciative audience. Tea was served in the basement by the Ladies Circle.

Two of Arkona's young people, Andrew A. Barnes and Miss Della M. Davidson were united in marriage by Rev. C. W. King Monday morning and after the wedding breakfast motored to Watford on their way to Michigan where they will spend their honeymoon with friends at various points. Mr. Barnes who has decided to enter the gospel ministry was supplied of the Forest Baptist Church pulpit preceding Mr. Buck, just left for the Bolivian Mission Field. He has also supplied with great acceptance the local pulpits, Strathroy, Ailsa Craig and elsewhere. Both he and his bride are among the church's most gifted and active workers among the young people and in the Sunday School. They will be greatly missed on leaving Arkona.

A full house turned out on Friday evening to hear Mrs. W. E. Norton and Miss Anna C. Murray give their lantern illustrated addresses on the Strange People of Foreign Mission Work at Home and Abroad. At the close of the evening Mrs. Wm. McKay of the Mission Circle read an address to Miss Murray and little Miss Vivian Utter of the Mission Band, under whose auspices the meeting was held, presented her with twenty-five dollars in twenty five cent pieces on an appropriately engraved silver plate in commemoration of her twenty five years of service in India and on behalf of the members of the congregation. The Band added to the interest and pleasure of the program with a number of costume songs etc. Miss Murray was surprised and replied feelingly and in appropriate words.

The people of Arkona and district took full possession of the Methodist Church last Thursday evening, even to standing room in their reception and welcome to the returned veterans. The heroes present were Ed. J. Crawford, James Riggs, Sanford Cornell, Ed. C. Smith, Walter Woolvit, Ethen Bates, John Seeman, Vincent Williams, Thomas Ormond and Orville L. Augustine. J. F. Dickson read the address of welcome and little Miss Harriett Schmidt and Master Ray Hume presented each of the soldier lads with a gold signet ring as a token of the community's regard for them and wishes for future prosperity. Addresses of warm appreciation were also given by Rev. J. Hall of the entertaining Church, Rev. G. S. Radcliffe of the Presbyterian and Rev. C. W. King of the Baptist Church, as well as a visiting minister, Rev. N. A. Campbell of Inwood whose son has just returned from the front. The following gifted talent added to the pleasure of the reception: Messrs. H. Utter, Chas. Bartlett and W. Woolvit with Mrs. Utter accompanied in instrumental selection: W. Woolvit, solo; Misses M. Fuller and A. Mellor, piano solo; Mrs. W. Johnston, solo; Messrs. Earl, Roy, Arthur and Orville Stoner, quartette selection; Wilbert McLeish, solo; Mrs. McLeish, accompanist and Mrs. E. L. George and Miss I. Dickson, duet, with Mrs. Eastman at the piano. At the close of the program hosts of people greeted the heroes personally, after which they were invited to the basement for refreshments.

The schools in Adelaide are closed until after Easter on account of the flu.

Sarnia Presbyterial W. M. S.

The fifth annual meeting of Sarnia Presbyterial W. M. S., met in St. Andrew's church, Strathroy, on Mar. 25, and 26, with a large number of members in attendance. The meetings were conducted by the president, Mrs. Stirrett, of Petrolia, and reports from different secretaries showed a successful year. The Treasurer reported the offerings to be \$4543.00. The forward movement was presented very ably, by Mrs. Smith, of Lunenburg. It is the aim of the W. M. S. to catch the spirit of service and sacrifice that has been shown by women during the war, and direct this energy to winning the world for Christ. Mrs. McGilivray, of Shanghai, China, gave a splendid account of the work she is doing in translating into Chinese, palm-leaf books for children. Until four years ago the Chinese children had nothing of that kind.

Greetings from Presbytery were presented by Rev. John Moore, Strathroy, Officers elected: President—Mrs. Stirrett, Petrolia. 1st Vice-Pres., Mrs. Dawson, Parkhill. 2nd " Mrs. Forster, Watford. 3rd " Mrs. Shaver, Strathroy. 4th " Mrs. Lochhead, Forest. Rec.-Sec., Miss L. Ross, Watford. Cor.-Sec., Mrs. H. Simpson, Petrolia. Supply Sec., Mrs. Wheeler, Sarnia. Strangers Sec., Mrs. Field, Strathroy. Messenger Sec., Mrs. Stewart, Nairn. Library Sec., Mrs. Campbell, Inwood. Press Sec., Mrs. Hunter, Wyoming. Home Helpers Sec., Mrs. McKay, Alvinston. Mission Band Sec., Mrs. Ironsides, Theford. Treasurer, Miss Geddes, Strathroy. Delegate to Prov. Annual Meeting, Mrs. Lochhead, Forest. Delegate to Summer School, Miss Marian Jardine, Camlachie. Place of meeting for 1920, St. Paul's Church, Sarnia.

What Varieties Of Grain Are Your Growing?

This is a question that should not be dodged by any farmer. The country is full of varieties about which nothing is known. These varieties have gotten into a district and they find a friend who continues to grow them year after year, occasionally supplying a neighbor with seed. This has occurred in almost every locality unless an active propaganda has introduced modern high yielding sorts. The result in most cases is that these various grains have degenerated and the farmer is losing bushels per acre through the use of obsolete varieties.

This condition is a survival of the days when one could find in any seed catalogue, numerous varieties with names suggestive of big yields and lucrative profits. The travelling agent with his high priced grains who appeared annually with old varieties under a new name shares the guilt of the enterprising seedman.

This multiplicity of varieties, especially of those about which nothing is known, is a serious and unprofitable condition. The remedy is simple. There has just been issued by the Experimental Farms a revised list of recommended varieties for the various provinces of Canada. Only those that have demonstrated their superiority for a number of years are recommended, and without a doubt they are immensely superior to the archaic sorts now being grown in many localities. If you have not already received it, address a letter to the Dominion Cerealists, Experimental Farm, Ottawa, and a copy will be forwarded immediately. The Dominion Cerealists are also glad to assist any person in the procuring of seed of these varieties. Every farmer should, while there is yet time before seeding, consider carefully the sorts of grain that he is now growing, and in the light of the revised list of recommended varieties they are weighed in the balance and found wanting, he should take steps immediately to procure fresh seed of a standard sort.

Alvinston Family Moves to Watford

On Friday evening March 28th, the friends and neighbors of Mr. and Mrs. Hubert Pitz, met to spend a few pleasant hours prior to their departure for their new home near Watford. After a lengthy program consisting of solos, instrumental selections and speeches, Mr. and Mrs. Pitz and family were called forward. After the reading of a well worded address, Mr. and Mrs. Pitz were each presented with a chair and the children with a small purse

Just picture the grief of some child at the loss of his or her beloved "Doggie." To them this is the greatest loss that could possibly come into their young lives. We believe that right down in the heart of every man, woman and child is a natural desire to do for others what they would have others do for them.

as a slight token of the high esteem in which they were held. Although taken completely by surprise, Mr. Pitz replied in a very able manner. After doing justice to the well filled lunch baskets, the remainder of the evening was spent in games and dancing. The neighborhood is very sorry to lose such highly respected neighbors and the best wishes of the people go with them to their new home.—Alvinston Free Press.

A SPRING TONIC GREATLY INCREASES YOUR EFFICIENCY

Lay the Foundation of Good Health Now by Building Up Your
Blood and Strengthening Your Nerves

The good old fashion of taking a tonic in the springtime, like most of the customs of our grandparents, is based upon sound common sense and good medical practice. No matter how mild the winter it is a trying time, even in the most favored climates, for those who are not in rugged physical health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny summer months, and grow increasingly pale as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling that worries thousands at this season of the year.

You can not be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at night, or if you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine there is no safer or better tonic than Dr. Williams' Pink Pills for Pale People. These pills make new rich, red blood, which circulates through every portion of the body strengthening jaded nerves and run-down organs, and bringing a feeling of new strength and energy to weak, easily tired, despondent men, women and children.

CURED BILLIOUS HEADACHES

Mr. D. C. McClure, Heffley Creek, B. C., says: "As a spring tonic I know of nothing else that can equal Dr. Williams' Pink Pills. Last spring I felt weak and run down, and suffered a great deal from bilious headaches. I got a half dozen boxes of Dr. Williams' Pink Pills, and after taking them I felt like a new man. The lassitude from which I suffered had disappeared, I had a better appetite and was in every way stronger and better than before I began the use of this medicine. Almost everyone needs a tonic in the spring, and for this purpose I can strongly advise Dr. Williams' Pink Pills."

NEVER FELT SO WELL

Miss Beatrice Bishop, Fendale, N. B., says: "I have never felt so well as I do since taking Dr. Williams' Pink Pills. When I began their use I was very much run down. I had no color, no appetite, could not go upstairs without stopping to rest on the way. I had frequent headaches and a feeling of despondency. I took Pink Pills regularly for about eight weeks and while I felt a benefit from them almost from the first, at the end of that time I was in better health than I had ever enjoyed before. I freely give my permission to publish this letter as my experience may be the means of pointing the way to new health to some other weak and run down girl."

GAINED WONDERFULLY

Mrs. Herbert Hanson, Lower Hainesville, N. B., says: "I have the very highest regard for Dr. Williams' Pink Pills. Before I began their use I suffered greatly with sick headaches, dizziness and a feeling of depression and tiredness. A short treatment with the pills fully restored my health. My daughter Blanche was suffering from anemia, and through the use of six boxes of Dr. Williams' Pink Pills gained wonderfully in weight, strength and general health. We think so much of Dr. Williams' Pink Pills that we are never without them in the house, and I consider them my best friend."

HAS A BETTER APPETITE

Mrs. M. D. MacLeod, Caledonia, P. E. I., says: "I have used Dr. Williams' Pink Pills as a spring medicine with satisfactory results. Before I began their use I was subject to weak spells, but these have now disappeared. I find that my appetite is better, and I have every confidence in your pills as a blood builder."

STRONG AND WELL AGAIN

Mr. H. H. McKelvey, Orono, Ont., says: "My experience with Dr. Williams' Pink Pills has been of the most favorable kind. At the time I began their use I was so weak and run down that I could hardly go about. My stomach was also out of order and the food I took did not seem to do me a bit of good. Then Dr. Williams' Pink Pills came to the rescue, and under their use my stomach grew better, my general health improved, and I was soon as healthy and vigorous a man as I had ever been. Dr. Williams' Pink Pills, with the use of Pinklets as a laxative when needed, is now our family medicine, and we would not be without them."

BUILD UP YOUR BLOOD

The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are, for this reason, an invaluable remedy in diseases arising from bad or deficient blood, such as anaemia, rheumatism, neuralgia, pains in the back or side and the other effects of influenza or fevers. If you are suffering from any troubles due to weak watery blood, or shaky nerves, a fair use of these pills will restore you to full health and strength. Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail, post paid, at 50c a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.
