

WEEKLY MONITOR.

PARADISE.

Service in the Baptist church on the 2nd of March, at 7 p.m. Regina Division has been reorganized with a large membership. Initiations at every meeting. H. A. Longley is W. P.

A Ban Social was held in the church on the 18th when the sum of seventeen dollars was realized. The many friends of Mrs. R. E. Marshall will be pleased to know that she has sufficiently recovered to be able to return to her home.

One of the most pleasant social events of the season took place on Saturday evening last when Mr. and Mrs. Rufus W. Elliott entertained a large number of invited guests. A number from this place enjoyed the hospitality of Mr. and Mrs. L. W. Elliott of Upper Clarence on the evening of the 24th.

John R. Miller Esq. of Annapolis was the guest of Mr. and Mrs. H. D. Starratt on Tuesday and Wednesday of last week. The members of the Dramatic Club are unable to accept the invitation extended to them from friends in Lawrenceton to give their entertainment there.

A meeting of the Agricultural Society will be held in the new hall of the Agricultural Society on Thursday evening, 27th, at 7:30 o'clock. A full attendance of members is requested by the executive.

A number from Paradise and West Paradise took advantage of the moonlight and good singing last Thursday evening and drove to Upperville, where they were met by a number of hospitable home of Mr. Wm. Inglis, returning early next morning.

An organ for the new hall is to be purchased with the funds raised by the heroic efforts of the Dramatic Club. Last evening was "Irish" night in the Literary Society which met at the home of Mr. and Mrs. H. A. Longley. The program consisted of appropriate songs, dialogues, readings and papers on the following subjects: "Irish Characteristics," "Irish Characteristics," "Irish Literature," and "Irish Poetry."

Last Wednesday afternoon Mr. A. Benson was presented with an order signed with the name of Mr. C. Jackson for the sum of \$25. This order was at once recognized as the celebrated "Mr. Crosse" who called upon some six weeks ago presenting a similar order. As soon as he perceived that he was recognized, he "slightly stole away," but was not being raised he was pursued by a number of indignant citizens who followed him for two or three miles through the woods in a westerly direction when all traces of him were lost. The name of the gentleman is unknown but a diligent effort should be made to bring him to justice, as others may receive similar visits, his audacity being almost equalled by his business and taken of esteem.

Address were also made by Bros. Bobb, Chute and J. E. Farnsworth. W. E. Stomach and others, followed by music and refreshments.

Services for Sunday, March 2nd, by Rev. J. J. Tingley, Hampton, 10:30 a.m., St. Paul, 2:30 p.m., Port Lorne, 7 p.m., also meetings Wednesday and Friday evenings.

The many friends of Pastor Tingley met at the parlour on Monday evening for the purpose of raising him. About one hundred and fifty were present from the various sections of the field. After a pleasant hour spent in a social manner Deacon Stirk called the company to order and introduced Deacon Graves, who in a few appropriate words presented the pastor with a purse containing the sum of \$225, to which Pastor Tingley replied, thanking the company for their kindness and tokens of esteem.

Address were also made by Bros. Bobb, Chute and J. E. Farnsworth. W. E. Stomach and others, followed by music and refreshments.

The singing class conducted by Mr. J. O. Neely will give a concert on Wednesday evening. Mrs. A. Stewart of Middleton, Mr. and Mrs. H. Danesh and Mr. and Mrs. John E. Bole spent the 21st at Mrs. N. B. Dunn's.

Mr. and Mrs. E. Phinney have been guests of Mr. and Mrs. H. O. Whitman. Mr. John Smith had the misfortune to lose a valuable cow lately. We are sorry to report that Mr. Chas. Crisp is not recovering from his illness as rapidly as his friends wish.

Those interested in Sunday school work are looking forward with much pleasure to the district conference to be held here March 5th. Mr. Muirhead, the new field secretary, will be present. A missionary meeting will be held in the Baptist church on the evening of March 2nd, which will be addressed by Rev. E. N. Archibald. A collection will be taken for missions.

MARGARETVILLE. Messrs. MacKenzie and Sanford of Bridgetown were guests of the home of Capt. S. A. Graves a few days last week. Mrs. Capt. V. Munro of Bridgetown is visiting at the home of her nephew, Milton Munro.

Miss Lydia Munro favored the congregation on Sunday evening with two songs which were highly appreciated. Mrs. V. Munro was her accompanist. Rev. H. W. Parry occupied the pulpit of the Methodist church on Sunday morning as the Baptist church is undergoing extensive repairs.

Mr. John I. Nixon arrived home on Saturday having about completed his work as factory census enumerator. The people here are still anticipating the harbour of refuge and also the extension of the Central railway from Middleton to Margarettville. Miss Lida McLean intends leaving for Halifax and Dartmouth on Wednesday next to visit friends there.

BELEISLE. Mr. Watson C. Jones of Clements-ville spent a few days of last week with his brother-in-law, Comins L. L. Gerner. Mr. Rex Neely and sister of Meadowdale spent last week with their uncle, Mr. Almer P. Neely. Mr. and Mrs. B. W. Shaffer of Lower Grandville, spent last Friday with Mr. and Mrs. M. O. Wade. Miss Annie Best who has been visiting relatives at Belleville, returned home last Saturday. Miss Kay Gerner of Digby is spending a few days with her parents, Mr. and Mrs. H. E. Gerner. Mr. Miss Gerner is visiting relatives at Yarmouth. Mr. John Hall of Lawrenceton was here on Saturday last. We were pleased indeed to give our genial friend, and to see him so hale.

ROUND HILL. The members of the Band of Hope enjoyed a delightful block-drive to Bridgetown last Saturday afternoon. The funeral of Mrs. Ralph Manning of Centerville took place on Friday, the remains being interred in the cemetery here. Mr. and Mrs. Godard of Montona, who with their son Cyril, are visiting Mrs. Alfred Hoy, Bridgetown, spent Friday with Mrs. E. Q. Tupper.

CENTRAL CLARENCE.

Rev. W. L. Archibald of Lawrenceton occupied the pulpit here on Sunday. Mrs. M. C. Marshall is spending a few days at Roundhill. Mr. and Miss Chapman of Nictaux and Miss Lou Williams of Brooklyns were guests of Mr. and Mrs. Byron Chesley on Sunday.

The social held on the evening of the 21st was a great success financially, the sum of \$235.35 being raised. After the social a short literary program was rendered in the audience room of the church consisting of readings, recitations, etc. At the close of the exercises the bell, which has recently been placed in the church free of cost, was formally presented by the donor, Mrs. L. E. A. Doring, in a few well chosen words.

The acceptance was made on behalf of the church by Deacon E. J. Elliott and Mr. S. N. Jackson. The Misses Chesley and their brother of Brooklyns were recent visitors of their cousin, Miss Minnie Chesley. What proved to be a very enjoyable evening was spent at the new and commodious home of Mr. and Mrs. H. D. Starratt a few days ago.

The guests numbering between sixty and seventy from Clarence, Lawrenceton, Ferry, Bridgetown, Hantsport and Halifax. After partaking of a sumptuous dinner, the guests were indulged in, interspersed with music and refreshments, until the midnight hour the guests dispersed, agreeing that the occasion was the best of the season, and wishing their host and hostess long life to enjoy their bright and attractive new home.

Several of our young people visited Nelson Division at Lawrenceton last Saturday evening at the home of Mr. and Mrs. J. H. Elliott, which is ill with the grippe. Mr. Vernon Haleson, who has been laid aside with a very sore hand, returned to his work in the mill last Saturday. A number of our young people employed a sleigh drive to the home of Mr. and Mrs. J. H. Hicks, junr., at Bridgetown on Tuesday evening. Deacon E. Marshall and daughter spent Friday at West Paradise.

ANAPOLIS ROYAL. A hockey match will be played between an Annapolis team and the St. Andrews school team, in the rink to-morrow evening. The game promises to be interesting. A large and interesting temperance meeting was held here last Thursday evening, under the auspices of Roberts Division, St. J., and the W. C. T. U. The speakers were Mr. W. L. Smith, Revs. Debbolis and Coffin, and Messrs. H. D. Knapp and A. M. King. Mr. J. H. Crosse acted as chairman.

A singing party drove to Bridgetown last Monday evening. Dr. D. A. Taylor, who has been practicing here for some time past, has gone to Acadia Mines where he has secured an appointment as physician. A golf club will probably be organized here in the spring. A meeting was held last Wednesday for the purpose of considering the matter. The officers will be elected later.

NICTAUX. Nictaux Division held a social in their hall on Monday evening, the 24th, which was well patronized, over three dollars being obtained for repairs on the hall. Special services of considerable interest are being held in the Nictaux church by Rev. W. M. Smeaton. Our esteemed citizen, David L. Gates, aged fifty-three years, died on Monday of paralysis, after a sickness of two months. He was an active member of the Nictaux Baptist church for many years, and was highly considered by all. He leaves a wife and two sons, one an infant, nine months, also an aged mother and two brothers.

PROHIBITION BILL AMENDED. Toronto, Feb. 22-23 is now generally believed in government circles that important changes will be made in the prohibition bill on the second reading. Mr. Ross, it is understood, is holding over the discussion of the bill until after the prohibition contest next week when the views of the opposition of the referendum clause will be fully presented. There are two points regarding the government supporters are restive. The first is the time of taking the vote, the second the condition as to securing a majority vote equal in number to half the vote at the general election. Pressure is to be put on the government to change the day of voting to the next municipal election or the day of the general election, and it is believed that on this point the views of the temperance element will be met. The question of a majority raises a more serious issue and in the best informed circles it is believed that the government will maintain the principle set down that the vote for prohibition must be large enough measured by some recognized standard, to show that public opinion is behind the measure.

CANADIANS CONTROL SYDNEY ENTERPRISE. The retirement of Mr. Moxham from the general management of the Sydney iron and steel enterprise which was promoted by Mr. Whitney, the Boston capitalist, formerly, it is stated, the predominance of Canadian capital and interest in the project, it was decided to raise eight additional millions through the issue of fresh stock, which promised so well. A controlling interest in the stock was obtained by the Canadian directors, and Mr. James Ross became the present director and leader of the venture. It is candidly stated in well-informed circles that in a short time it will be found that Mr. Whitney will retire altogether, following the example of Mr. Moxham. The business is now well upon its feet, profits are assured and the Canadian directors feel that the project should have a national character, that it should be a pure Canadian enterprise. Mr. David Baker will act in Mr. Moxham's place until a successor is appointed.

WELSH COLONY FOR CANADA. Toronto, Feb. 20-The Evening Telegram's special cable from London, dated the 19th, says: "The suggestion that Mr. Chamberlain yesterday to the deputation which waited on him on behalf of the Welsh settlers in Patagonia, namely, to inaugurate a subscription in order to raise a fund to hire a transport to convey the settlers to Canada was given up, the Colonial Secretary announcing that £1,500 had already been subscribed. There is, it is said, over ten hundred Welsh settlers in Patagonia, and their reverses on account of bad weather and loss of crops have induced them to appeal for assistance. It is understood that Lord Strathcona was unavailable to asking for either a transport or financial assistance to aid the Welsh settlers to remove from Patagonia to Canada.

There are still in the United States 273,244 Indians of all tribes, according to the census of 1890, of whom about half are on reservations, and it is claimed that nearly 100,000 are self-supporting and taxable.

AMERICA AND THE JAPAN TREATY. (New York Sun.) The London Convention has been a masterpiece of precise, straightforward candor of expression and common sense. The text might have been written as the result of a conference between the American and Japanese governments. The treaty is a masterpiece of precision and candor of expression and common sense.

The government and people of the United States are deeply interested in the treaty between England and Japan. It is in line with our own declared policy and manifests interest and sympathy in the far East. While our national prestige is rightly opposed to extending alliances of any sort with foreign powers, we are naturally and commercially in sympathy with the main principle of the treaty, which is to secure peace and stability in the Far East.

Empire Lintiment Mfg. Co., Dear Sir:—I have used your Empire Lintiment and it has done wonders for me. I had catarrh of the worst kind and your lintiment removed it. I also used your lintiment for my cough and it cured me. I feel today as if I were a new man. I would like to see you and tell you how much I owe you for your lintiment. I have been very truly and gratefully satisfied with it. I have no doubt but that there is no lintiment on earth like the Empire Lintiment.

NEW IMMIGRATION SCHEME. London, Feb. 21—The Times prints details of a new scheme for emigration to Western Canada. Nearly 5,000 persons are to leave Liverpool or Glasgow next month in order to settle in the Dominion. Others will follow in April, May and June, at the rate of 4,000 monthly. The plan grows out of organized emigration from the North-Western United States to Canada begun four years ago. It is stated that 50,000 persons have been removed in the interim from the States to the Dominion. The results have been so beneficial both to Canada and the Newcomers that the Dominion government has been organizing the new scheme, by which the emigrant will be personally conducted to his new home at the far west at a total cost of \$40. His necessities are met, and he is capable of cultivating it, and is helped with his expenses until he has settled down.

STOP THE BLIGHT

It is a sad thing to see fine fruit trees spoiled by the blight. You can always tell them from the rest. They never do well afterwards but stay small and sickly. It is worse to see a blight strike children. Good health is the natural right of children. But some of them don't get their rights. While the rest grow big and strong one stays small and weak.

Scott's Emulsion can stop that blight. There is no reason why such a child should stay small. Scott's Emulsion is a medicine with lots of strength in it—the kind of strength that makes things grow. Scott's Emulsion makes children grow, makes them eat, makes them sleep, makes them play. Give the weak child a chance. Scott's Emulsion will make it catch up with the rest.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, TORONTO, CANADA, and all druggists.
