

or agents selling fruit trees, as they are taken from nature by the best artists, and represent accurately the kinds of fruit named. They also form a handsome ornament for an office or parlour. They may be had singly or in books, bound to order. The price of colored plates of fruits and evergreens, 25 cents each; of grapes, flowers, and shrubs, 37½ cents each.

The Agriculturist for 1861.

The *Agriculturist* is published semi-monthly, each number consisting of 32 pages, and forming a volume of 768 pages.

The *Agriculturist* is exclusively devoted to Agriculture, Horticulture, and similar subjects. It is the cheapest paper of the kind in North America, and specially adapted to the circumstances of the soil and climate of Canada.

The *Agriculturist* is Post Free.

The terms of subscription are: Half a dollar per annum for single copies, Eleven copies for Five Dollars, Twenty-two copies for Ten Dollars; Thirty-three copies for Fifteen Dollars, &c. Payment always in advance.

CASH PREMIUMS.

As a further reduction in price on the largest orders, the following money premiums will be paid on copies ordered and paid for prior to or on 1st April next, viz:—

To the officer of any Agricultural Society, member of a club, or other person who shall send in the largest list of subscribers, accompanied with the cash, on or before the 1st April next, a money prize will be paid of.. \$20

To the person sending the next largest list, a prize of.....

The Agriculturist for 1st January.

We shall send this number only to our exchanges, officers of Agricultural Societies, those who remitted payment for me re numbers that we were able to supply last year, and who have consequently a balance in their favor, and to those who have already favored us with their orders for this year. Our readers will please bear in mind that it is our practice to discontinue mailing the *Agriculturist* as soon as the term for which subscriptions have been forwarded has expired.

Contents of this Number.
