GALT v. GUELPH.

The game between Galt and Guelph, played in Galt on Friday last, was unfortunately unfinished. It was an hour after the time agreed upon for the wickets to be pitched that the Galt team were all in the field, and this delay was probably the reason for the unsatisfactory result. McConkey, who captained Galt, displayed great judgment in changing his bowling, which throughout was excellent. The Guelph Eleven have no reason to be proud of their fielding in the 1st innings of Galt, but they brightened up considerably in the second; a left-handed catch by Murton at the long off was a pleasing variation to the monotonously bad fielding of the rest. Guelph would appear to be falling into the belief which has ruined so many clubs, that batting is the only requisite for a good cricketer. We trust that the lesson taught by the game of Friday will not be lost upon them. Score:

PORT HOPE v. TRINITY COLLEGE SCHOOL.

A match was played at Penryn Park on Wednesday afternoon between elevens of Port Hope and Trinity College School. For Port Hope Bletcher played his usual careful innings, and Helliwell ran up his 20 quickly. The batting of the school was on the whole very good, and Allan and Hamilton were especially brilliant. Macdonell and Allan bowled very well, and Cayley in one over performed the "hat trick." The following is the score:

ORILLIA v. UXBRIDGE.

This match was played at Orillia on Thursday last, the 22nd inst. The ground was in magnificent order, and the wicket faultless. Uxbridge won the toss, and elected to take the bat. Bethune's style of batting was much admired, and it was easily seen that he had been taught in a good school. It was afterwards learned that he was an old Trinity College School boy, which accounted for his pretty play, so different from the style of the others who scored double figures. For Orillia, H. C. Scadding got 25 by free and hard hitting. This young player promises to be one of the best bats in the Province, and with a little more attention to defence, we have no doubt he will yet distinguish himself. Although it was arranged to play till six, several of the Uxbridge team found that they had to leave by the 4.35 train, which prevented Orillia from having a second innings, and left the game in favour of Uxbridge on the first innings. With the exception of one man, however, the Uxbridge team, remained in town all night. The game could therefore have been finished had play been continued. Below is the score:

U. C. COLLEGE.

EX AND PRESENT DAY BOYS v. BOARDERS.

Last Saturday was a gala day at Upper Canada College, when the last match of their season took place. Reviewing the names of the respective elevens of Messrs. Jackson and Brock before play was begun, it was easily seen that the former's, being the strongest both in batting and bowling, would easily win; and so it proved. The boarders took the bat first, Smith (Present) and Hope (Past, with Coldham to run for him) being the first arrivals at the wickets. The former played Logan very carefully, forward and in good style, for several overs, but in trying the same play with Wright, he lifted one into Brock's hands. Hope, his partner, cut Wright several times for singles and twos, but failed to score much off Logan. Once he skied that bowler to the off, but the ball fell harmlessly between two fielders. He was finally bowled by Wright with a ball he had almost stopped, and which rolled under his bat into the wickets; hard lines. Ogden's life was a short and merry one, until a shooter from Wright permitted the Chicago captain to retire. The stay of the next two men was so short that it was by the purest accident we heard they came from Hamilton; Coldham (Present)
