

NEWS NOTES.

HILLSBORO. Bro. O. G. Hertzig is here holding a meeting. I have been preaching here on Lord's day evening for about 18 months. The brethren giving me services once a day for the purpose. Good audiences and great interest. One man from the conf. of Christ, we look for much good result.

J. LEONARD. Bro. Leonard since we have seven persons have been led to the faith.

L. & W. Bro. Hertzig and I closed the meeting at Hillsboro with seven baptisms.

Bro. Ash writes me that Bro. Kuffer has recently made a visit to Ridgetown. We hope that they will secure a laborer in that needy field.

Bro. Hertzig has made two efforts to hold a meeting in Garafra but failed each time on account of snow drifts and the deep mud. The third time is the charm.

Good word comes from Luther. Bro. Scott has been there for some time in a meeting. At last report there had been 18 baptisms, and still going on. Bro. S. has been meeting with grand success.

We have received the initial number of the Law and Order Advocate, edited by Rev. W. K. Burr, M. A., of Belleville. It will doubtless fill a long felt want. We can well afford to welcome all advocates of "law and order" in this day of lawlessness. We would thank our contemporary to leave that handle off our name when he prints. It is plain H. B. S. Not "Rev."

The church in Hamilton donated eighteen popular hymns to us at Welland. We wish a few others would do likewise as we need 50 more.

Having business over at Buffalo, N. Y., we stopped over night with our old friend L. Evans, at Tonawanda, on the way and enjoyed a good tea with the disciples. It is a royal favor to meet with these good brethren and sisters. Bro. Rand, school superintendent reports the school improving better all the time. It was the best school in my knowledge a year ago. Evans is up to his eyes in the temperance campaign. He is the prohibition, first, last, and all the time.

Bro. Osorno's time at Tonawanda, N. Y., expires soon, and he contemplates a visit to Canada. Come on Bro. O., we have work for such as you.

The brethren at St. Catharines are very anxious to have the work begin there immediately. Bro. Hertzig is looking towards that field.

The latest word from Mt. Carmel was that they are "holding the fort." Bro. Lister is contemplating a visit down east, and will see them on his way.

Bro. B. C. Alsworth writes me that the church at West Lake is doing well, and that the Sunday school is growing day by day, for which we are devoutly thankful.

Port Hope failed to get a co-operation between them and Colbourn, to employ Bro. Sinclair, but they are not at all discouraged but intend to push on. See Bro. Mundy's letter in another part of this issue.

It seems that the people have become alarmed here in Welland for the subject of baptism will be neglected, hence the C. M. preacher delivered a discourse on the subject, and the stores around introducing bills. No baptism at all. As a result of this, we look for much good result.

Bro. Sinclair from Ridgetown has visited to Port Hope and Colbourn recently, and met some success in the way of admissions.

Bro. C. J. Hill... We closed a series of meetings at G. with five additions by immersion, and a few others almost persuaded, also a few who had almost grown weary were refreshed, the brethren strengthened, and the prospects of future success brightened. May the Lord bless his cause and people in this place and to his name be the praise.

Yours &c., W. M. Crewson. Read carefully the testimonials of responsible men and Dobyne Sure Cure, and if troubled with Catarrh send to the proprietors for a package of their remedy.

We would ask those of our readers who are in arrears for the CHRISTIAN WORKER, to send in the amount due, by first of May, if possible. You will enjoy reading the paper better when you have paid for it. And we will rejoice with you.

I. & W. Publishers. PREACH THE GOSPEL.

It is with pleasure we announce to the readers of the CHRISTIAN WORKER, that a Co-operative movement is started by some of the good sisters in Owen Sound, to raise funds for the purpose of sending an Evangelist to the North-West, to preach the Gospel. The sisters have taken the lead in this work with a true resolve, and good will which is speaking volumes. They have secured a splendid opportunity of preaching the Gospel in a new field.

Bro. Sinclair baptized two while here; we expect to have him come to us for a six months. Through the kindness of liberality of the co-operation they have promised us \$10 for six months, or \$150 for twelve months. I have written Bro. Sinclair, but have not got a reply. We are holding on to the work with a firm grasp. I expect to see him in a few days. He will be here for two or three weeks. We will be glad to see him. We will be glad to see him. We will be glad to see him. We will be glad to see him.

PERSONAL MENTION. We had a pleasant call at Bro. A. Anderson's, in Hamilton recently. He reports no progress in the cause, yet they are holding their own.

of faithful, earnest, intelligent Christians and it is for this faithful few I plead. They are making off with many hearts to help the cause of the Lord.
