There is no double-meaning catch phrase or deception in our advertisement-nothing whatever to cause you disappointment in any way. It ankly, we have adopted this method of prize-giving, simply that you may become acquainted with us and give us an opportunity of doing business with you. We want your goodwill, and enlist your survices only by offers that will merit your approval. Upon receipt of the write you select you cannot help being impressed with the generority of war business methods, as the prizes are both desirable and well worth many times the trouble of writing for. The Solid Arizons Silver Bugar Shell is made from a lump of Solid Arizona Silver. It is better than sterling silver from a practical point, as it looks just as well, will not thrnish as quickly and will wear longer. All our Arizona Silverware is the same beautiful metal right through, and is guaranteed to wear for 50 years. The Chatelaine Brooch and Secret Locket is admired and worn by the most Ashionable ladies. The Locket opens and will hold two photos. It is the embodiment of artistic skill and beauty, and makes a most charming decoration. With the prize you select we will send you to boxes of Standard Electine Medicines to sell, if you can, at 25 cents each, then return us our money and we will give you, absolutely free, a Butter
