

CONSUMPTION CURD.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 *Poulters Block*, Rochester, N. Y.

A motto for young lovers—So far and no father.

*"Better be wise by the misfortunes of others than by your own." Take warning in time. Avoid quack nostrums by which thousands annually perish. Use only such remedies as are demonstrated above suspicion, foremost among which is Kidney-Wort. For torpid liver, bowels or kidneys, no other remedy equals it. It is sold in both dry and liquid form by all druggists.

A Russian proverb says, "Before going to war, pray once; before going to sea, pray twice; before getting married, pray three times."

*It is impossible to disguise the fact that the Vegetable Compound, prepared under the personal direction of Mrs. Lydia E. Pinkham, with the superior science and art of modern pharmacy, is the most successful medicine for female diseases known.

The Turk and the man who steps on a banana skin both sit down without calling for a chair.

SNAKES AS LIFE DESTROYERS.

The loss of life in India due to the ravages of venomous snakes is almost incredible. Yet Consumption, which is as wily and fatal as the deadliest Indian reptile, is winding its coils around thousands of people while the victims are unconscious of its presence. Dr. R. V. Pierce's "Golden Medical Discovery" must be used to cleanse the blood of the scrofulous impurities, for tubercular consumption is only a form of scrofulous disease. "Golden Medical Discovery" is a sovereign remedy for all forms of scrofulous disease, or king's-evil, such as tumors, white swellings, fever sores, scrofula, sore-eyes, as well as for other blood and skin diseases. By druggists.

ADAMS, N. Y., Jan. 30, 1882.
DR. B. J. KENDALL & Co. Gents.—Having used a good deal of your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done for me. Two years ago I had a speedy colt as was over raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farmers, but they all said he was spoiled. He had a very large thorough-bred, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for 1800 dollars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Knoland's drug store, in Adams, the other day, and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one I wish you would, and I will do you all the good I can.
Very respectfully, E. S. LYMAN.

NEW HAMBURG, Ont. Dec. 28, 1881.
Mr. F. H. McCALLUM, Dear Sir,—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.
Yours truly, J. F. ROTUN.
