WE HAVE SUCCESSFULLY TREATED

CANCER

WITHOUT THE USE OF THE KNIFE

The Berkshire Hills Sanatorium

is the largest private institution in the world, and the ONLY one where Cancer and Tumors are permanently cured. It is owned and conducted by a regular graduate. All physicians of standing are cordially invited to come and make a personal investigation. They will be entertained as our guests. Upon receipt of a description of any case of Cancer or Tumor, we will mail at our expense the most valuable information ever published on this subject, and will tell you why the knife fails to cure, and why the X-ray, Radium or any other light treatment can never be successful, and all forms of so-called home treatments are worthless. IF I WERE A QUEEN

I would eat gelatine,
And I'd order it home
by the car lot,
By the Cross of St.
George,

But I'd stuff and I'd gorge
Of the kind that they call

"LADY CHARLOTTE"
