CANADIAN BRANCH---TORONTO.

The Honourable and Right Reverend Lord Bishop of Toronto. | The Ven. the Archdescen of York Directors:

John Arnold, Beq. The Hon. William Allan. The Hon. J. H. Cameron, M.P.P. J. Lukin Robinson, Rea. J. H. Hagarty, Beq., Q. C, Rev. Stephen Lett, LL.D.

J. M. Strachan, Bog. P. Vankoughnet, Koq. Thomas Champion, Req. AGENT-E. TAYLOR DARTHELE, Eeq. Office-25, Albert Buildings King-street East, Toronto.

The distinguished success which has attended the establishment of the Church of England Assurance Institution in the United Kingdom, India, &c , has induced the Directors to open a Branch Office of the Company in Canada, with a view of extending the poculiar advantages of this Institution to the inhabitants of that Colony. They feel satisfied that such advantages will be duly appreciated by the Public, and that the same distinguished success will attend the Company's establishments in Canada, and the same powerful support be given to it by the Clergy and Laity residing in the Colony, as have already marked its progress in India and in Europe.

In order to insure such success, and to mosts such support, the Directors have, for a long time past, been engaged in repeated deliberations and concultations with mon well conversant with, and experienced in, the principles and practice of Life Assurance, with a view to the formation of Branch Establishments in the British Colonies, which will best ensure the three main objects of Policy-holders, vis., SECURITY, ROOMOMY, and CONVENIENCE. And they trust that the result of their deliberations has been such as to present to British subjects, resident in these Colonies, as

perfect a system of Assurance, in all these respects, as is practicable, or can be desired. The SECURITY of Policy-holders in Canada is made complete by the large subscribed capital of the Company, guaranteed by a numerous and influential body of Proprietors; whilet for their immediate benefit and protection, Au ADEQUATE FUND WILL BE INVESTED IN CANADIAN SECURITIES, so as slways to be immediately available to provide for whatever casualties may arise.

The ECONOMY of Policy-holders has been consulted by the adoption of Tables, deduced from the most complete and extensive observations of the rate of mortality among Assured Lives. They have been constructed expressly for the use of the Church of England Assurance Company; and are framed on the lowest possible scale consistent with the security of the Assured.

By the constitution of the Company, one clear tenth of the entire profits of the Institution is applied to the form ation of a fund, called "THE CLERGY FUND," for the Relief of Distressed and Deserving Clergymen, and the Widow and Orphans of Clergymen, and also for granting aid to enable Clergymen with limited Incomes to provide for their

Families by Assuring their Lives at Reduced Premiums. Premiums on Assurances by Table II, may be paid either yearly, half-yearly, or quarterly, as may best suit the convenience of the Assured.

Death by suicide, duelling, or the hands of justice, will not render the Assurance null and void, if the Polley be duly assigned to another party for a bona-fide consideration.

Claims will be paid within three months after proof of death. Policies forfeited by non-payment of Premium, may be revived within twelve months, upon preuf of the same state

of bealth, and the payment of the Premium in arrear, with interest thereon. The Assured, not being engaged in any Militery, Maritime, or Naval Service, will be permitted, without extra Premium, to proceed frem one part of British North America to another. Also, to proceed to or from any part of the United States not further south than the latitude of the city of Washington, or further West than the River Missiesippi: they will also be permitted, in time of peace, to proceed in first-class steamers to or from an portin Great

Parties engaged in or entering into the Military, Maritime, or Naval Service, or parties preceeding beyond the limits above mentioned, will be charged such additional rate (to be accertained by application to the Agent), as the circumstances of the case may require.

Upon payment of the Premium, in cases where the Assurance has been accepted definitely, a Certificate will love at once, to be held by the Assured until it can be exchanged for a Stamped Policy, under the Hands and Scale of three of the Loudon Directors. In cases where the Assurances shall be entertained, only pending the decision of the London Board, a memorandum of conditional acceptance will be leaved, until the receipt out of the Company's advice, ecoveying the Stamped Policy, or the rejection of the Assurance,—the Company holding the life assured in the interim.
