Still the Forest is the Best Medical School!! That predisposition which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System, caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

## DR. HALSEY'S

GUM-COATED FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.) (A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal wittue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauscating, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of taking cold. They neither have the taste nor the smell of medicine, and are five times more effectual in the care of diseases than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids, given over by their Physicians as incurable, have found relief, and been restored to gound and vigorous health from their use.

TO FATHERS OF FAMILIES.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malignant tevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF HIS OWN CHILDREN!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Hulsey's Gum-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all bilious and morbid matter, and restore the stomach and howels, curing and preventing all manner of bilious attacks, and many curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Sults or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, feaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gaul-ducts, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-conted Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to salt them under the good will Dr. Halsey's Pills had gained, by curing thousands of disease.

by curing thousands of disease.

The public are now most respectfully notified, that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which, in every respect, supersedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Fills by the Government of the United States of America.

The Gum-coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gun Arabie, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-coated Pills. The Gum-coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and remain the same, retaining at their virtues to an indefinite period of time, and one perfectly free from the disagreeable and nauscating taste of Medicine. In order to avoid all impositious, and to obtain Dr. Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY. Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

and avoid all others.

If you desire a mild and gentle purgative, which neither nanseates for gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated, as well as the best
compound Sarsaparilla Extract in the world, for purifying the
blood, obtain Dr. HALSEY'S PILLS.

It you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are If you would have a Medicine which does not leave the bow-

els costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil, and al

common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmiess, and well adapted to the peculiar delicacy of your constitutions.

"A volume of most affecting narratives, from the pen of an English priest, in some of which is displayed in a remarkable manner the power of religion over some of the worst and most abandoned characters; and in which, also, is set forth the wretched end to which vice often conducts its victims.
