THIS College is conducted by the Fathers of the Society of Jesus.

Opened on the 20th of September, 1843, it was incorporated by an Act of Provincial Parliament in 1852, p fter adding a course of Law to its teaching department.

The course of instruction, of which Religion forms the leading object, is divided into two sections, the Olassical and the Commercial Courses.

The former embraces the Greek, Latin, French and English languages, and terminaths with Philosophy. In the lutter, French and English are the only languages taught; a special attention is given to Book keeping and whatever else may fit a youth for Commercial pursuits.

Besides, the Students of either section learn, each one according to his talent and degree, History and Geography, Arithmetic or higher branches of Mathematics, Literature and Natural Sciencee.

Music and other Fine Arts are taught only on a special demand of parents ; they form extra charges. There are, moreover, Elementary and Preparatory Classes for younger students.

Increased facil ities have been secured, with the view to the effi-cient carrying out this department of the business, in order to ensure the greatest economy and despatch in disposing of property, so that parties seiling out can have their account, sales and proceeds

immediately after each cale. Special attention will be given to the Sale of REAL ESTATE and OITY PROPERTY, and as this department of the Auction business is becoming more important with the increase and extension of the City, the undersigned offers the most Liberal Terms to parties wishing to bring their property into the market for public competition.

A great hardship has been felt by both buyers and sellers, the former being taxed illegally with one per cent. on the amount of purchase, and the latter by the exorbitant charge for commission and advertising. Now. the undersigned proposes to do away with this grievance as far as his own business is concerned, by undertaking the Sale of Real Property, on conditions which, it is hoped, will meet the views of all parties, namely-

- ist-There will be no charge of e per cent to the purchaser.
- When bona fide sales are effected not exceed-2nding £5000, the commission will be £5; and on amounts from £5,000 upwards, only £10, exclusive of the cost of advertising ; upon which the regular trade discount of 25 per cent. will be allowed.
- Brd-When property is bought in, reserved, or with-drawn, no charge will be made, except the ac-tual disbursement for advertising.

The undersigned avails himself of this opportunity of returning his sincere thanks to the public for the very liberal patronage bestowed on him during the past four years, and trusts, by prompt attention to business, and strict adherence to the foregoing programme, to meet a continuance of the same.

N.B.-All orders left at the Office will meet with immediate attention.
