

Britain's Foremost Military Store

invites you to obtain
a copy of its special
EQUIPMENT BOOKLET.

THE JUNIOR Army and Navy Stores were founded in 1879 by naval and military men to supply the needs of naval and military men and their families. We have been on Active Service for forty years, and can give many points to those who have entered the game since 1914. For instance, Military Goods Must Be Absolutely Reliable. We owe our immense popularity amongst experienced campaigners mainly to this, in combination with fair prices and equal treatment to officers of every rank and the newest cadet.
