

### Third: The Liberation of Lebanon From Israeli Occupation

Regaining the authority of the State up to internationally recognized Lebanese borders requires the following:

- a) Pursuing the implementation of Resolution No. 425 and all Security Council's resolutions promulgating the total elimination of the Israeli occupation
- b) Adhering to the Truce Agreement signed on March 23, 1949.
- c) Taking all necessary measures to liberate all the Lebanese territory from the Israeli occupation, extending the authority of the State over all its land, deploying the Lebanese Army along the internationally recognized Lebanese borders and pursuing the reinforcement of the existence of the International Security Forces in Southern Lebanon so as to ensure the withdrawal of Israel and to allow for the return of law and order to the border zone.

Government of national reconciliation will decide on the re-positioning of the Syrian forces in the Bekaa area and the access to western Bekaa in Dahr - Elbeidar up to the line of Hamana - Mdeirej - Eln Darah and, in case of necessity, in other points to be decided by a joint Lebanese Syrian military committee. Also an agreement shall be signed by both governments which determines the size and the duration of the presence of the Syrian Forces in the above areas and the relation of these forces with the Lebanese State authorities present in these areas. The Tripartite Supreme Arab Committee is ready to assist the two States in reaching this agreement, if they so desire.
