Business Mission Agreement

The Business Mission Agreement is a tool that enables you and your colleagues to better meet the demand for services related to the management of trade and investment missions. By using the Business Mission Agreement, you will ensure that the organizers of such missions clearly understand their roles and responsibilities, as well as those of you and your colleagues.

Canada Inc, have been consulted. The Agreement, in its current format, has been approved by these parties.

For more information on the Business Mission Agreement see page 11 or visit the Horizons Web site (<http://intranet.lbp/horizons>).

You asked for it!

The Business Mission Agreement came about, primarily, as a result of the employee survey. A number of you identified the need for guidelines on organizing and managing trade and investment missions. We listened to you. All of the provinces and members of Team
