regions were at a maximum as the allowance had been phased out in some regions but continued in others. The Saskatchewan region discontinued the payment of allowances to off-reserve elementary and secondary students on January 1, 1982.

The record of payments to off-reserve elementary and secondary students combines student allowances and expenditures for books and school supplies. The breakdown by Province for 1980-81 is as follows:

Atlantic	\$ 11,000
Quebec	nil
Ontario	nil
Manitoba	13,000
Saskatchewan	225,400
Alberta	51,000
British Columbia	34,000
Yukon	3,100
Total	\$ 337,500

2. The number of Indian students for whose education this Department is responsible and in respect of whom the Department and Indian education authorities entered into tuition agreements with provincial and private school boards in 1980-81 is as follows:

Atlantic	1,760
Quebec	7,610
Ontario	6,425
Manitoba	5,864
Saskatchewan	8,088
Alberta	7,680
British Columbia	10,895
Yukon	22
Total	48,344

The number of Indian elementary and secondary students who attended federal and band-operated on-reserve schools in 1980-81 is as follows:

Atlantic	1,701
Quebec	3,196
Ontario	7,189
Manitoba	9,059
Saskatchewan	6,461
Alberta	4,095
British Columbia	2,751
Yukon	5
Total	34,457

The 48,344 students in respect of whom the Department entered into tuition agreements were all resident on reserves as were the 34,457 attending federal and band-operated on-reserve schools. All of the 48,344 reserve residents attending provincial schools and meeting the grade nine, 14 years of age and above criteria continue to be eligible for student allowances.

The number of students who were off-reserve residents in 1980-81 and who received student allowances and/or books and school supplies was approximately 6,189 distributed as follows:

Atlantic	200
Quebec	nil

## INTELPOST

**Question No. 3,770—Mr. Beatty:**

On what date did Canada first participate in Intelpost and, since that date, by month (a) how many prepaid letters originating in Canada were carried by Intelpost and to which foreign Intelpost offices were they sent (b) how many prepaid letters directed to Canada were carried by Intelpost and from which foreign Intelpost offices were they sent (c) what was the cost to the Post Office of participation in Intelpost (d) what revenues to the Post Office resulted from its participation in Intelpost (e) what amount was spent on publicity to promote Intelpost?

**Mr. David Berger (Parliamentary Secretary to Minister of Consumer and Corporate Affairs):** The Canada Post Corporation has informed me as follows:

The Intelpost service began operation on June 17, 1980. As to the remaining portions of the question, public disclosure of the internal operating information would provide commercial and financial information which would be of substantial value to competitors.

In addition, as Intelpost is being offered in conjunction with Teleglobe Canada, CNCP Telecommunications and a number of other postal and telecommunication administrations, disclosure of the operating information requested would release data which are proprietary to these other organizations.

## QUALIFICATIONS OF PSYCHIATRISTS AT FEDERAL PENITENTIARIES

**Question No. 3,773—Mr. Lawrence:**

For the years 1976 to 1980, what was the number of (a) full-time (b) part-time psychiatrists at the Dorchester Penitentiary, Dorchester and, in each case, what was his/her (i) educational qualification (ii) previous work experience (iii) salary?

**Hon. Bob Kaplan (Solicitor General):** In so far as the Correctional Service of Canada is concerned: (a) and (b) There were no full-time or part-time psychiatrists employed through the federal public service at Dorchester Penitentiary. Psychiatric services were provided by a psychiatrist under contract. Hospitalization for psychiatric purposes took place in the institutional health care centre, a provincial mental health facility or the Ontario Regional Psychiatric Centre (RPC), depending on the severity of the illness.

(i), (ii) and (iii) Not applicable.
