

Ottawa, Canada,  
25th February, 1926.

My Dear Sir Arthur,

Within the past month the Ottawa Graduates Society have had the pleasure of hearing two splendid addresses by members of the Faculty of McGill University; the first on the 26th January, by Dr. Chipman, and the other on the 23rd instant, by Dr. Leacock. Needless to say they were both very much appreciated and will redound to the credit of "Old McGill".

Knowing that many would be anxious to hear these addresses and as our membership was limited, the co-operation of the Professional Institute of the Civil Service was invited. The result was that the main dining room of the Chateau was filled to capacity and many sought admission who, I regret, could not be accommodated.

Judging by newspaper reports, and the many complimentary remarks heard, I cannot help thinking that such addresses favorably reflect upon the good work being done at McGill and I hope that next year we may be privileged to hear other speakers from our Alma Mater.

At the next meeting of the Society a formal vote of thanks will probably be proposed but, in the meantime, I trust you will allow me to express, on behalf of the Graduates, our sincere thanks and appreciation for your kind interest and co-operation in making it possible for these speakers to address us.

Yours sincerely,

General Sir Arthur Currie, G.C.M.G., K.C.B., LL.D.,  
Principal,  
McGill University,  
MONTREAL, Que.

O. S. Finnie,  
President.
