Dear Sir,

During your absence a committee  
of which I am the president has decided to erect <sup>a monument</sup> on Sher-  
brooke Street, at LaFontaine Park, to our great statesman,  
Sir Louis Hippolyte LaFontaine.

A committee of honour has been formed  
and you have been chosen ~~as~~ one of them. A letter was sent  
to you to that effect, but in your absence the enclosed let-  
ter was sent to me.

The model submitted by Mr. Henri  
Hébert has been chosen by the jury and the monument will be  
inaugurated on June 24th 1930.

Hoping to have your acceptance as a  
member of that committee, I am,

Yours truly,

*Eudore Dubéau*  
*President*
