

AIMS AND OBJECTS

OF

HER MAJESTY'S ARMY & NAVY VETERANS.

1.—To assist, to the best of our ability, any brother out of employment or in distressed circumstances, and do what we can to obtain employment for him.

2.—To visit a sick brother and cheer and comfort him as best we can, and when it shall have pleased Almighty God to remove a brother from amongst us, by death, it is our duty, as brother Veterans, to attend his funeral, paying our last respects to him.

3.—To do all in our power towards establishing, in the City of Toronto, an Army Veterans Home, wherein our destitute and worn out old comrades may find a home in which to end their days, comforted and helped by their brother Veterans, so that none of them will have to end their days in a work-house, or be laid in a paupers grave; and we call on all our brethren and friends, who have the interest and welfare of our old and feeble Veterans at heart, to help us in this good work, and make it a success and a credit to Canada, the land of our adoption. For these purposes has Her Majesty's Army and Navy Veterans been instituted.
