## **ANNEXATION ORDER** SURE TO GO THRU

Enough Names on Petition to Warrant Taking in of Northern Districts.

### RATEPAYERS' CLAIMS

Delegation Filed Petition With Secretary of Ontario Railway Board.

A body of residents and ratepayers from the Cedarvale. Wychwood and Bracondale districts, who are interested Bracondale districts, who are interested in the proposed annexation of that part of York Township to the city, appeared before the Ontario Railway Board yesterday to appeal against the order being made until the facts were more clearly understood. They claimed that ninety-one of those who had signed that petition asking annexation had done so without understanding exactly what would be asked. Letters were presented to the board secretary stating that their signatures had been gained under misrepresentation and should not count.

ing that their signatures had been gained under misrepresentation and should not count.

The members of the board being out of town, nothing could be done at the meeting, but the letters and complaints were filed. The party left, however, with the understanding that even if the protests as to signatures were taken into, account the order would still go thru as the number of names on the petition would still warrant it.

Some of the delegation in discussion stated that their understanding was that only the Cedarvale district was in question and that they had petitioned the last meeting of the township council to assist them in opposing the annexation agitation. They claimed that small owners in Wychwood and Bracondale would suffer thru land improvement taxes and urged that the terms of annexation be re-arranged so that the city would bear the same percentage of local improvement cost here as in other parts of Toronto. Some of them felt that they were not gaining as many concessions as they deserved. The case will come again before the board at an early date.

## **CALLED POLICEMAN** TO PRESERVE ORDER

Rival Deputations From Todmorden Created Scene in City Hall.

Mayor Hocken, at the meeting of the city council and residents of Todmorden in the city hall yesterday morning to consider the question of annexing that suburb, was obliged to call a policeman to keep the rival deputations from creating such a scene as would hinder the carrying on of business.

The arguments of the rival deputa-tions reached such a heated point that Mayor Hocken had to declare the meeting closed and leave the chair. He was prevailed upon to resume his seat and the controversy commenced anew. Dr. E. McDonald of North Riverdale precipitated matters when he charged that the water in the district was not fit to drink and stated that if sickness should break out there it would spread thruout the rest of the city. Several of the deputation thinking otherwise than Dr. McDonald, then stated to cooks.

LANSDOWNE'S SPEECH Conadian Press Despatch.

Things, however, are really almost in the same negative position as before, especially as the Unionist peers have given no certain indications what fine their amendments will definitely take.
