store, Bold and Caroline-streets. The fire was in the liquor store, but did its members offers a direct premiur fire was in the liquor store, but the in addressing the institute was included anage. There was very little in addressing the institute was included anage done at the home of W. J. advocate any special remedy for the present system, but to show that a remedy was needed, and to explain sev eral plans that have been suggested. Miss Ann Gleason died at the city nospital to-day at the age of 65 years. Nearly 20 years ago he ventured to submit to the Canadian Institute a re-

spectful appeal on this subject, which he at that time recognized to be of great importance to the people of Can-ada, and every part of the British Empire where kindred free institutions are established. The institute at once took up the matter with great vigor and appropriated the sum of \$1000 to be warde din premiums for essays on the

subject. The speaker said that the political evils which everywhere attract atten-tion are attributable to imperfect methods of carrying out representative government.

"The fundamental principle of re-presentative or popular government is consists in the fact that you get nothing but the heart of the that the sovereign power of a state rests in and proceeds from the people, Coffee bean in and that it is exercised by representa tives of the people assembled in par

"We follow in a course which in its result operates in a manner diametri cally opposed to the true theory of our political institutions. The theory i that the mass of electors shall be pre sent in person and heard in the voice of their representatives in parliament. This is impossible as long as the present system of choosing members is in existence," declared Sir Sandford. He said it was clearly shown by

statistics that the present electoral me thods prevent a large portion of the community from being represented in. parliament. Instead of the suprem power being exercised by the people representatives, the whole power of the ority, since the present system dis to vote.

Sir Sandford then outlined the trans throat. Of course, the discharge of that the man who steered had to be ferrable vote, and other systems of prevents this entirely. lashed to the wheel and the other men carrying out true representative gov wore life belts. The storm became ernment, as recommended by Earl Grey and other authorities.

MISSION ENDS.

The closing of the ten days' mission services in the Anelican churches was marked at St. Alban's Cathedral last night by an eloquent after address by Bishop Sweeny. in which he spoke of the great good which had been accom-plished all over the diocese thru the mactings.

pounds of any other kind. plished all over the diocese thru the meetings. Rev. E. J. Doherty, M.A., of Nor-folk, England, the missioner who has had charge of the services, gave a stirring sermon on the text, "Work Out Your Own Salvation." "Christi-anity is not so much a religion as a power that works within us." he said, "and the crux of our religion is the knowledge that God is in us. It is for us to work this great power out." for, us to work this great power out.

songs, including "The Hobble Skirt," "Nobody's Satisfied," "Come to Bed," "Poor. Old - Geera-Doodle-Doo," and "Three Days on the Ocean." With each one of these songs Miss De Mar has a change of scenery and costume. While in Paris last summer Miss De Mar had a chainteiler costume made, which is an exact duplicate of the cos-tume worn by Guitry while in the Parisi-an production of "Chantecler." Miss De Mar with wear this feathered guise of a chantecler next week while at Shea's, when she sings "Poor Old Cock-a-Doodle Doo." There is a beautiful setting for this song, the effect of which would make even Rostand envious. **Royal Weish Ladies' Choir.** Wales is the land of song, and from today have come. When the Royal Weish Ladies' Choir, under the direction of Madame Hughes-Thomas, visited Toronto in 1909, those who heard them were loud in their praises of the singing of the part songs, duets and solos. They all sang with the enthusiasm which is character-ing at Massey Hall on Seturday, March B. Plan opens March 15. **DANGERS OF WORKING WOMEN**

this song, the effect of which would make even Rostand envious. Included in this week's bill are "A Night in a Turkish Bath"; Ryan-Richfield Co., in "Mag'Haggerty, Osteopath';; Schietl's Royal Marioneites, Clara Inge and Mar-guerite Farrell, Harry Breen, Hickey Bros, Charles and Rosle Coventy and the intereraph. Are Too Many Young Girls in Stores

The Silver Voiced Tenor. Those familiar with musical matters are well aware how difficult it is to procure well aware how difficult it is to procure tenors whose voices are away above the ordinary. There is only one Caruso, and there is only one Lassalle, whose services the Boston Opera House Company have been fortunate enough to secure. The brilliant young tenor, Robert Lassalle, is the eldest son of the famous barltone, Jean Lassalle, who was for so many sea-sons the leading barltone at the Metro-politan Opera House, New York, the friend and colleague of the de Reszkes, and integral figure in the many triumphs in which this trio of singers made ope-ratic history in America. Lassalle will last evening preached a sermon on ing his recital of the sufferings of the "Moral Dangers of Women Workers." Redeemer, especially the mode adopt-

dual marriage. In Roman Catholic countries they disposed of their sur-plus women by placing them in con-vents. He considered the placing for life of women in convents a blot on civilization. In Canada every field of endeavor awaited the women.

gage or debt.

"It is now perfectly moral for a woman to work almost anywhere in the City of Toronto. I wouldr ath-er bring a girl up in a thoroly policed and church organized city like To-ronto than in a little country burg." He warned the young woman from discussing her employer's domestic troubles with him. Early hours and keeping in touch with the church was the best way of avoiding the moral dangers of working women.

BURGLARS AT BURK'S FALLS.

BURK'S FALLS, March 12 .- (Speial.)-Burglars invaded the offices of the tannery company here Saturday night and got away with \$1000, most-ly in Bank of Toronto bills. The side of the safe had been broken open. The provincial police have been com-municated with, and it is understood that to Detective Reburn has been given the task of hunting down the
